SUBJ: Consideration of an Ordinance Levying Special Assessments on Certain Property to Pay the Cost of Internal Improvements in the City of El Dorado, Kansas, as Previously Authorized by Resolution No. 2933 of the City; and Providing for the Collection of such Assessments.
DATE: November 4, 2024

Summary:
Project No. 597, which involved the extension of the sanitary sewer main to serve the Garcia Court area, is now complete.

Attachments:
1. Proj 597 Notice of Assessment

Funding Source:
The total cost of the sewer project is $156,001.77. The costs will be assessed entirely to the improvement district, with no costs allocated to the city. The entire project will be paid for out of the bond and interest fund. Property owners within the improvement district will have the opportunity to pay off the assessment over a twenty-year period.

Operation Impact:
This project will ensure proper sanitary sewer service to the industrial development at Garcia Ct, facilitating continued industrial growth in the area. This improvement will also enhance the city's ability to attract future businesses to the North Industrial Park. The sanitary sewer line is expected to support the current development and potential future expansion.

Options/Alternatives:

1. **Do Nothing:** If the Commission opts not to hold the hearing, the City could not spread the special assessments to the properties benefiting from the sewer main extension, leaving the City responsible for covering the project's costs.
2. **Hold The Public Hearing:** Proceed with the assessment process, allowing the improvement district to cover the costs over time as originally planned.

Staff Recommendation:
Proceed with the assessment.

The Issuer's governing body has determined that it is desirable in order to promote, stimulate and develop the general economic welfare and prosperity of the Issuer and the State of Kansas that the Issuer issue its Taxable Industrial Revenue Bonds, Series 2024 (Gordy Heritage, LLC) in the aggregate principal amount of $11,500,000 (the "Series 2024 Bonds"), for the purpose of paying the costs of the acquisition, renovation, construction and equipping of a senior apartments facility (the "Project") as more fully described in the Indenture and in the Lease authorized in this Ordinance, for lease to Gordy Heritage, LLC, a Kansas limited liability company (the "Tenant").

C. The Issuer's governing body finds that it is necessary and desirable in connection with the issuance of the Series 2024 Bonds to execute and deliver the following documents (collectively, the "Bond Documents"):

(i) a Trust Indenture (the "Indenture"), with a trustee bank acceptable to the Issuer and the Tenant, as trustee (the "Trustee"), prescribing the terms and conditions of issuing and securing the Series 2024 Bonds;

(ii) a Site Lease (the "Site Lease") with the Tenant under which the Tenant will lease an interest in the Real Property to the Issuer;

(iii) a Project Lease (the "Project Lease") with the Tenant, under which the Issuer will acquire, renovate, construct and equip the Project and lease it to the Tenant in consideration of Basic Rent and other payments;

(iv) a Bond Purchase Agreement (the "Bond Purchase Agreement") providing for the sale of the Series 2024 Bonds by the Issuer to a purchaser acceptable to the Issuer (the "Purchaser"); and

(iv) an Agreement for Payment in Lieu of Taxes (the "Agreement for Payment in Lieu of Taxes") with the Tenant, under which the Tenant will make payments in lieu of taxes for each year after issuance of the Series 2024 Bonds that the Project is exempt from ad valorem taxation.

D. The Issuer's governing body has found that under the provisions of K.S.A. 79-201a *Twenty-Fourth*, the Project purchased or constructed with the proceeds of the Series 2024 Bonds is eligible for exemption from ad valorem property taxes for up to 10 years, commencing in the calendar year following

the calendar year in which the Bonds are issued, if proper application is made, provided no exemption may be granted from the ad valorem property tax levied by a school district pursuant to the provisions of K.S.A. 72-53,113, and amendments thereto. The Issuer's governing body has further found that the Project should be exempt from ad valorem property taxes for a period of 10 years, subject to a payment in lieu of taxes for each year of the exemption, as more particularly described in the Agreement for Payment in Lieu of Taxes. Prior to making this determination, the governing body of the Issuer has conducted the public hearing and reviewed the analysis of costs and benefits of the exemption required by K.S.A. 12-1749d.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF EL DORADO, KANSAS:

Section 1. Definition of Terms. All terms and phrases not otherwise defined in this Ordinance will have the meanings set forth in the Indenture and the Project Lease.

THIS AGREEMENT entered into November 26, 2024 (the "Sale Date"), between Gordy Heritage, LLC, a Kansas limited liability company (the "Tenant" and the "Purchaser"), and the City of El Dorado, Kansas (the "Issuer"), collectively referred to herein as the "Parties." All capitalized terms not specifically defined herein shall have the same meaning as defined in the hereinafter referenced Indenture and Project Lease, unless some other meaning is plainly indicated.

SECTION 1. RECITALS.

(a) The Issuer proposes to issue and sell the Bonds identified above (the "Bonds") to provide funds to finance the acquisition, renovation, construction and equipping of a senior apartments facility (the "Project") located within the corporate limits of the Issuer, to be leased by the Issuer to the Tenant pursuant to a Project Lease dated as of November 1, 2024 (the "Project Lease").

(b) Pursuant to the constitution and laws of the State of Kansas, including K.S.A. 12-1740 *et seq*. (the "Act"), the Bonds are limited obligations of the Issuer payable solely from the Trust Estate under the Indenture (hereinafter defined), including payments derived by the Issuer from the Project Lease. The Bonds will be dated November 26, 2024, will contain such other terms and provisions as are set forth in an ordinance duly passed by the governing body of the Issuer on November 4, 2024 (the "Ordinance"), and other proceedings and determinations related thereto as authorized and governed by the provisions of a Trust Indenture (the "Indenture") dated November 1, 2024 between the Issuer and Security Bank of Kansas City, Kansas City, Kansas, as trustee (the "Trustee").

(c) The proceeds of the sale of the Bonds are to be applied to payment of Project Costs (as defined in the Indenture) as set forth in the Project Lease, Ordinance and Indenture.

SECTION 2. PURCHASE, SALE AND DELIVERY OF THE BONDS.

On the basis of the representations and covenants contained herein and in the other agreements and documents referred to herein, and subject to the terms and conditions herein set forth and in the Indenture, the Purchaser agrees to purchase from the Issuer and the Issuer agrees to sell to the Purchaser the Bonds on the terms and conditions set forth herein.

The principal amount of the Bonds is $11,500,000.

The Bonds are subject to redemption and payment in whole or in part, at the option of and upon instructions from the Tenant, at a price equal to the par value thereof, plus accrued interest thereon, without premium or penalty, to the date of payment.

The Bonds shall be sold to the Purchaser by the Issuer on the Closing Date (hereinafter defined) upon payment of an amount equal to the Closing Price (hereinafter defined). Subject to *Section 4.1* of the Project Lease, the Closing Price shall be deposited in the Project Fund as provided in *Section 502* of the Indenture and shall thereafter on the Closing Date immediately be applied to the payment of Project Costs.

As used herein, the term "Closing Date" shall mean November 26, 2024, or such other date as shall be mutually agreed upon by the Issuer and the Purchaser; the term "Closing Price" shall mean the principal amount of the Bonds. The Original Proceeds, including accrued interest and premium thereon, if any, shall be immediately paid over to the Trustee, and the Trustee shall deposit and apply such proceeds as provided in *Article V* hereof. The Original Purchaser shall be deemed to have paid over to the Trustee, and the Trustee shall be deemed to have deposited into the Project Fund, an amount equal to the Original Proceeds. The Trustee shall be entitled to rely upon a written waiver of receipt and payment of disbursements from the Project Fund as long as the Tenant and the Owner are the same entity.

Section 2.09. Authorization of Additional Bonds.

(a) Additional Bonds may be issued under and equally and ratably secured by this Indenture on a parity with the Series 2024 Bonds and any other Additional Bonds Outstanding at any time and from time to time, upon compliance with the conditions hereinafter provided in this Section, for any of the following purposes:

(i) To provide funds to pay the costs of completing the Improvements, the total of such costs to be evidenced by a certificate signed by the Authorized Tenant Representative.

(ii) To provide funds to pay all or any part of the costs of repairing, replacing or restoring Improvements in the event of damage, destruction or condemnation thereto or thereof.

(iii) To provide funds to pay all or any part of the costs of acquisition, purchase or construction of such additions, improvements, extensions, alterations, expansions or modifications of the Project (including additional Real Property or Improvements) or any part thereof as the

Tenant may deem necessary or desirable and as will not impair the nature of the Project as a "facility" within the meaning and purposes of the Act.

(iv) To provide funds for refunding all or any part of the Bonds of any series then Outstanding, including the payment of any premium thereon and interest to accrue to the designated Redemption Date and any expenses in connection with such refunding.

(b) Before any Additional Bonds shall be issued under the provisions of this Section, the Original Purchaser shall give its written consent thereto, which shall not be unreasonably withheld, and the Issuer's governing body shall enact an Ordinance (i) authorizing the issuance of such Additional Bonds, fixing the amount and terms thereof and describing the purpose or purposes for which such Additional Bonds are being issued or describing the Bonds to be refunded, (ii) authorizing the Issuer to enter into a Supplemental Indenture for the purpose of providing for the issuance of and securing such Additional Bonds and, if required, (iii) authorizing the Issuer to enter into a supplemental lease with the Tenant to provide for rental payments at least sufficient to pay the principal of, premium, if any, and interest on the Bonds then to be Outstanding (including the Additional Bonds to be issued) as the same become due, for the acquisition, purchase, construction or installation of additional Improvements, for the inclusion of any such addition, expansion or modification as a part of the Project, and for such other matters as are appropriate because of the issuance of the Additional Bonds proposed to be issued which, in the judgment of the Issuer, is not to the prejudice of the Issuer or the owners of the Bonds previously issued.

(c) Such Additional Bonds shall have the same designation as the Series 2024 Bonds, except for an identifying series letter or date and the addition of the word "Refunding" when applicable, shall be dated, shall be stated to mature on Principal Payment Dates in such year or years, shall bear interest at such rate or rates not exceeding the maximum rate then permitted by law, and shall be redeemable at such times and prices (subject to the provisions of *Article III* of this Indenture), all as may be provided by the Supplemental Indenture authorizing the issuance of such Additional Bonds. Except as to any difference in the date, the maturity or maturities, the rate or rates of interest or the provisions for redemption, such Additional Bonds shall be on a parity with and shall be entitled to the same benefit and security of this Indenture as the Series 2024 Bonds and any other Additional Bonds Outstanding at the time of the issuance of such Additional Bonds.

(d) Such Additional Bonds shall be substantially in the form and executed in the manner set forth in this Article and *Article IV* hereof and certificates representing such Bonds shall be deposited with the Trustee for authentication, but prior to or simultaneously with the authentication and delivery of such Bond certificates by the Trustee, there shall be filed with the Trustee the following:

(i) An original or certified copy of the ordinance enacted by the Issuer's governing body authorizing the issuance of such Additional Bonds and the execution of such Supplemental Indenture and the appropriate amendments or supplements to the Project Lease.

(ii) An original executed counterpart of the Supplemental Indenture providing for the issuance of the Additional Bonds.

(iii) An original executed counterpart of the amendment or supplement to the Project Lease, if required.

(iv) An opinion of Bond Counsel to the effect that the Additional Bonds constitute valid and legally binding obligations of the Issuer, subject to such limitations and restrictions as shall be described therein.

(v) In the case of Additional Bonds being issued to refund Outstanding Bonds, such additional documents as shall be reasonably required by the Trustee to establish that provision has been duly made for the payment of all of the Bonds to be refunded in accordance with the provisions of *Article XII* of this Indenture.

(vi) A copy of the written consent of the Original Purchaser.

(vii) Such other instructions, certificates, statements, receipts and documents as the Trustee shall reasonably require for the delivery of such Additional Bonds.

(e) When the documents mentioned in subsection (d) of this Section shall have been filed with the Trustee, and when such Additional Bonds shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver such Additional Bonds to or upon the order of the purchasers thereof, but only upon payment to the Trustee of the purchase price of such Additional Bonds. The proceeds of the sale of such Additional Bonds (except Additional Bonds issued to refund Outstanding Bonds), including accrued interest and premium thereon, if any, shall be immediately paid over to the Trustee and shall be deposited and applied by the Trustee as provided in *Article V* hereof and in the Supplemental Indenture authorizing the issuance of such Additional Bonds. The proceeds (excluding accrued interest and premium, if any, which shall be deposited in the Debt Service Fund) of all Additional Bonds issued to refund Outstanding Bonds shall be deposited by the Trustee, after payment or making provision for payment of all expenses incident to such financing, to the credit of a special trust fund, appropriately designated, to be held in trust for the sole and exclusive purpose of paying the principal of, premium, if any, and interest on the Bonds to be refunded, as provided in *Section 12.02* hereof and in the Supplemental Indenture authorizing the issuance of such refunding Bonds.

(f) Except as provided in this Section, the Issuer will not otherwise issue any obligations ratably secured and on a parity with the Bonds, but the Issuer may issue other obligations specifically subordinate and junior to the Bonds with the express written consent of the Tenant.

Section 2.10. Temporary Bonds.

(a) Until definitive Bonds of any series are available for delivery, the Issuer may execute, and upon request of the Issuer, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same limitations and conditions as definitive Bonds, temporary printed, engraved, lithographed or typewritten Bonds, in the form of fully registered Bonds in denominations of $5,000 or any amount in excess thereof, substantially of the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required with respect to such temporary Bonds.

(b) If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal office of any temporary Bond shall cancel the same and authenticate and deliver in exchange therefor, without charge to the Owner thereof, a definitive Bond or Bonds of an equal aggregate principal amount, of the same series and maturity and bearing interest at the same rate as the temporary Bond surrendered. Until so exchanged the temporary Bonds shall in all respects be entitled to the same benefit and security of this Indenture as the definitive Bonds to be issued and authenticated hereunder.

Section 2.11. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond certificate shall become mutilated, or be lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond certificate of like series, date and tenor as the Bond certificate mutilated, lost, stolen or destroyed. In the case of any mutilated Bond certificate, such mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond certificate, there

shall be first furnished to the Issuer and the Trustee evidence of such loss, theft or destruction satisfactory to the Issuer and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond certificate the Issuer may pay or authorize the payment of the same without surrender thereof. Upon the issuance of any substitute Bond certificate, the Issuer and the Trustee may require the payment of an amount sufficient to reimburse the Issuer and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 2.12. Cancellation and Destruction of Bonds Upon Payment.

(a) All Bonds which have been paid or redeemed or which the Trustee has purchased or the certificates of which have otherwise been surrendered to the Trustee under this Indenture, either at or before Maturity, shall be canceled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender of the certificates thereof to the Trustee.

(b) All Bonds canceled under any of the provisions of this Indenture shall be delivered by the Trustee to the Issuer, or, upon request of the Issuer, shall be destroyed by the Trustee.

Section 2.13. Payments Due on Saturdays, Sundays and Holidays. In any case where the Maturity of any Bonds shall not be a Business Day, then payment of principal, premium, if any, or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of Maturity, and no interest shall accrue for the period after such date.

Section 2.14. Nonpresentment of Bonds. In the event that any Bond shall not be presented for payment when the principal thereof becomes due, either at its Stated Maturity or Redemption Date, or the Trustee is unable to locate the Owner for the payment of accrued interest or an accrued interest check remains uncashed, if funds sufficient to pay such Bond and accrued interest shall have been made available to the Trustee, all liability of the Issuer to the Owner(s) of Bonds for the payment of such Bond and accrued interest shall cease and be completely discharged, and the Trustee shall hold such funds, without interest, for the benefit of such Owner(s) of Bonds, who shall thereafter be restricted exclusively to such funds for any claim on, or with respect to, such Bond and interest. If any Bond shall not be presented for payment within four years following the date when it becomes due, whether by Maturity or otherwise, or the accrued interest cannot be paid as set out above, the Trustee shall repay to the Tenant the funds theretofore held by it for payment of such Bond and interest, and such Bond and interest shall thereafter be an unsecured obligation of the Tenant, subject to the defense of any applicable statute of limitation, and the Owner thereof shall be entitled to look only to the Tenant for payment, and then only to the extent of the amount so repaid, and the Tenant shall not be liable for any additional interest thereon.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption of Bonds Generally. The Series 2024 Bonds shall be subject to redemption prior to Stated Maturity in accordance with the terms and provisions of this Article. Additional Bonds shall be subject to redemption prior to Stated Maturity in accordance with the terms and provisions contained in this Article and as may be specified in the Supplemental Indenture authorizing such Additional Bonds.

Section 3.02. Redemption of Series 2024 Bonds. The Series 2024 Bonds shall be subject to redemption and payment prior to Stated Maturity, at the option of the Issuer, upon instructions from the Tenant, as a whole or in part on any date, at the redemption price of the par value of the principal amount thereof, without premium, plus accrued interest thereon to the date fixed for redemption and payment.

Section 3.03. Selection of Bonds to be Redeemed.

(a) Bonds shall be redeemed only in Authorized Denominations. If less than all of the Outstanding Bonds of any series are to be redeemed and paid prior to Stated Maturity, such Bonds shall be redeemed as directed in writing by the Tenant. Bonds of less than a full Stated Maturity are to be selected by the Trustee in such equitable manner as it may determine.

(b) In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it was a separate Bond of the minimum Authorized Denomination. If it is determined that one or more, but not all, of the minimum Authorized Denomination units of face value represented by any fully registered Bond is selected for redemption, then the Owner of such Bond or his attorney or legal representative shall forthwith present and surrender such Bond to the Trustee (i) for payment of the redemption price (including the premium, if any, and interest to the Redemption Date) of the minimum Authorized Denomination unit or units of face value called for redemption, and (ii) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the owner of any such Bond of a denomination greater than a minimum Authorized Denomination shall fail to present such Bond to the Trustee for payment and exchange, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the principal amount thereof called for redemption (and to that extent only).

Section 3.04. Trustee's Duty to Redeem Bonds. The Trustee shall call bonds for mandatory redemption immediately upon receipt of written advice from the Issuer that the event giving rise to mandatory redemption has occurred, and stating the Redemption Date (except with respect to mandatory redemption of Term Bonds, no further notice of which is required). Upon receipt by the Trustee of such written advice, if required, and upon its own initiative if not required, the Trustee shall give at least 30 days' written notice of redemption to the Owner(s) of Bonds as provided herein. The Trustee shall call Bonds for redemption and payment as herein provided and shall give notice of redemption as provided in *Section 3.05* hereof upon receipt by the Trustee at least 45 days prior to the proposed Redemption Date (unless waived) of a written request of the Issuer together with a copy of the redemption instructions of the Tenant. Such instructions shall specify the principal amount and the respective maturities of Bonds to be called for redemption, the applicable redemption price or prices and the provision or provisions of this Indenture pursuant to which such Bonds are to be called for redemption. In the event of a mandatory redemption as provided herein, no request from the Issuer or instructions from the Tenant shall be necessary.

Section 3.05. Notice of Redemption. Notice of the call for any redemption identifying the Bonds or portions thereof to be redeemed shall be given by the Trustee, in the name of the Issuer, by mailing by first class mail, postage prepaid, a copy of the redemption notice at least 30 days prior to the date fixed for redemption to the Owner of each Bond to be redeemed at the address shown on the registration books maintained by the Trustee; provided, however, failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of the Bonds. Any notice of redemption shall state the Redemption Date, the place or places at which such Bonds shall be presented for payment, the series, maturities and numbers of the Bonds or portions of Bonds to be redeemed (and in the case of the redemption of a portion of any Bond the principal amount thereof being redeemed), the redemption price and shall state that interest on the Bonds described in such notice will cease to accrue from

and after the Redemption Date. A copy of each such notice of redemption shall be provided to any authorized co-paying agent appointed by the Trustee.

Section 3.06. Effect of Call for Redemption. Prior to the date fixed for redemption, funds or Government Securities maturing on or before the date fixed for redemption shall be deposited with the Trustee in amounts sufficient to provide for payment of the Bonds called for redemption, accrued interest thereon to the Redemption Date and the redemption premium, if any. Upon the deposit of such funds or Government Securities, and notice having been given as provided in *Section 3.05* hereof, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified Redemption Date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture.

ARTICLE IV

FORM OF BONDS

Section 4.01. Forms Generally. The Series 2024 Bonds, and the Trustee's certificate of authentication to be endorsed thereon shall be, respectively, in substantially the form set forth in *Appendix A*. Any Additional Bonds, and the Trustee's Certificate of Authentication to be endorsed thereon shall also be in substantially such form, with such necessary or appropriate variations, omissions and insertions as are permitted or required by this Indenture or any Supplemental Indenture. The Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirement of law with respect thereto.

Section 4.02. Bond Counsel's Approving Opinion. If printed on the Bond certificates, Bond Counsel's approving opinion with respect to the authorization and issuance of the Bonds shall be preceded by the following certificate:

If, pursuant to *Article IV* of the Lease and *Section 208(f)* hereof, the Trustee is deemed to have deposited the Original Proceeds into the Project Fund, the Trustee shall be deemed to have disbursed such funds from the Project Fund to the Tenant (or such other entity designated by the Tenant) in satisfaction of the requisition certificate.

The Issuer covenants and agrees that it will, but solely from the rents, revenues and receipts derived from the Project (as well as moneys held for such purposes hereunder) as described herein, promptly pay or cause to be paid the principal of, premium, if any, and interest on the Bonds as the same become due and payable at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof, and to this end the Issuer covenants and agrees that it will use its best efforts to cause the Project to be continuously leased as a revenue and income producing undertaking, and that, should there be a default under the Project Lease with the result that the right of possession of the Project is returned to the Issuer, the Issuer shall fully cooperate with the Trustee and with the Owner(s) of Bonds to protect the rights and security of the Owner(s) of Bonds and shall diligently proceed in good faith and use its best efforts to secure another tenant for the Project to the end that at all times sufficient rents, revenues and receipts will be derived by Issuer from the Project to provide for payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable. The Issuer covenants and agrees that, except as herein and in the Project Lease provided, it will not sell, convey, lease, encumber or otherwise dispose of any part of the Project or the rents, revenues and receipts derived therefrom or from the Project Lease, or of its rights under the Project Lease.

Section 8.05. Recording and Filing. The Issuer shall cause the Project Lease and all amendments to the Project Lease or appropriate memoranda thereof and all appropriate financing statements and other security instruments to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the Owner(s) of Bonds and the rights of the Trustee hereunder. The Issuer hereby authorizes the Trustee to make any such filings for it. The Trustee shall cause all appropriate continuation statements of financing statements initially recorded to be recorded and filed in such manner and in such places as may be required by law to continue the effectiveness of such financing statements.

Section 8.09. Possession and Use of Project. So long as not otherwise provided in this Indenture, the Tenant shall be suffered and permitted to possess, use and enjoy the Project and appurtenances so as to carry out its obligations under the Project Lease.

ARTICLE IX

REMEDIES ON DEFAULT

Section 9.01. Acceleration of Maturity in Event of Default.

(b) If, at any time after such declaration, but before the Bonds shall have matured by their terms, all overdue installments of principal and interest on the Bonds, together with all Default Administration Costs, all overdue installments of Basic Rent and Additional Rent under the Project Lease and all other sums then payable by the Issuer under this Indenture shall either be paid or provision satisfactory to the Trustee shall be made for such payment, then and in every such case the Trustee may in its discretion, and shall upon the written consent of Owner(s) of Bonds owning at least 51% in aggregate principal amount of the Bonds Outstanding, rescind such declaration and annul such default in its entirety.

(c) In case of any rescission, then and in every such case the Issuer, the Trustee and the Owner(s) of Bonds shall be restored to their former position and rights hereunder respectively, but no such rescission shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 9.02. Exercise of Remedies by the Trustee.

(a) If an Event of Default shall have occurred and be continuing, the Trustee may, and if requested to do so in writing by Owner(s) of Bonds owning not less than 25% of the aggregate principal amount of Bonds Outstanding, and if indemnified to its satisfaction and satisfactory provision has been offered as to payment of Default Administration Costs and third-party liability, shall pursue and exercise any available remedy at law or in equity by suit, action, mandamus or other proceeding or exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owner(s) of Bonds to enforce the payment of the principal of, premium, if any, and interest on the Bonds then Outstanding, and to enforce and compel the performance of the duties and obligations of the Issuer as herein set forth.

(b) All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Owner(s) of Bonds, and any recovery of judgment shall be for the equal benefit of all Outstanding Bonds.

(c) In any litigation with the Tenant after an Event of Default, the Trustee may, after obtaining the written approval of Owner(s) of Bonds owning at least 51% of the aggregate principal amount of Bonds Outstanding, enter into an agreement to settle the litigation upon such terms as the Trustee in its sole discretion determines to be in the best interest of the Owner(s) of Bonds, even if such settlement involves selling the Real Property and Improvements for less than the amount needed to pay the Owners of the Bonds Outstanding the full amounts of the principal and accrued interest on the Bonds.

Section 9.03. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. If an Event of Default shall have occurred and be continuing, the Issuer, upon demand of the Trustee, shall forthwith surrender the possession of, and the Trustee, by such officer or agent as it may appoint, may take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the Issuer pertaining thereto, and including the rights and the position of the Issuer under the

Site Lease and Project Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements; and the Trustee may lease the Project or any part thereof, in the name and for account of the Issuer, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including (i) reasonable compensation to the Trustee, its agents and counsel, (ii) any charges of the Trustee hereunder, (iii) any taxes and assessments and other charges prior to the lien of this Indenture, (iv) any costs and expenses of the Issuer in connection with the Project and (v) all expenses of such repairs and improvements, and the Trustee shall apply the remainder of the moneys so received in accordance with *Section 9.10*. Whenever all that is due upon the Bonds shall have been paid and all defaults made good, the Trustee shall surrender possession of the Trust Estate to the Issuer, its successors and assigns, the same right of entry, however, to exist upon any subsequent Event of Default.

While in possession of such property, the Trustee shall render annually to the Issuer and the Tenant a summarized statement of receipts and expenditures in connection therewith

Section 9.04. Sale in Event of Default. If an Event of Default shall have occurred and be continuing, the Trustee, as assignee of the Issuer, may (but shall not be required to) sell the Issuer's interest in the Project on behalf of the Issuer in accordance with the provisions of the Site Lease and Project Lease, and the Trustee or the Owner or Owners of any of the Bonds then Outstanding, whether or not then in default in the payment of principal or interest, may become the purchaser at any such sale to the highest bidder.

In the event of such a sale, the Issuer and the Trustee shall execute and deliver any necessary or appropriate instrument of conveyance of the Issuer's interest in the Project to the purchaser or purchasers thereof, and any statement or recital of fact in such deed in relation to the nonpayment of the Bonds, default, existence of the Bonds, notice of advertisement, sale, receipt of money, and the happening of any event whereby a prima facie evidence of the truth of such statement or recital. The Bond Trustee shall receive the proceeds of sale and pay the same in accordance with *Section 9.10(b).*

Section 9.05. Appointment of Receivers. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 9.06. Limitation on Exercise of Remedies by Owner(s) of Bonds. No Owner(s) of Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (i) a default has occurred of which the Trustee has knowledge, (ii) such default shall have become an Event of Default, (iii) Owner(s) of Bonds owning at least 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee, shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and (iv) satisfactory indemnity and provision for payment of Default Administration Costs and third-party liability shall have been offered to the Trustee and (v) the Trustee shall thereafter fail or refuse to exercise the powers granted in this section to institute such action, suit or proceeding in its own name; and such knowledge and request are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more

Owner(s) of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Bonds then Outstanding.

Section 9.07. Right of Owner(s) of Bonds to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, Owner(s) of Bonds owning at least 51% in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, and upon providing the Trustee indemnification satisfactory to it as provided above, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and Trustee shall have the right to decline to follow such direction if the Trustee shall in good faith, and upon the advice of counsel, determine that proceedings so directed would expose the Trustee to personal liability.

Section 9.08. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Owner(s) of Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owner(s) of Bonds hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Trustee or by the Owner(s) of Bonds, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

Section 9.09. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on Bonds, and shall do so upon the written request of Owner(s) of Bonds owning at least 51% in aggregate principal amount of all the Bonds then Outstanding and satisfaction of the conditions set forth in *Section 9.01(b)*. In case of any such waiver or rescission, or in case any proceedings taken by the Trustee under this Indenture on account of any such default shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Owner(s) of Bonds shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 9.10. Application of Money Received after Event of Default.

(a) If the principal of all Bonds shall have become due and payable after the occurrence of an Event of Default, all moneys thereafter received from the Tenant, from sale or reletting of the Project shall be deposited in the Debt Service Fund and all moneys in the Debt Service Fund shall be applied as follows:

first: To the payment of Default Administration Costs

second: To the payment of the whole amount then due and unpaid upon the Outstanding Bonds for principal and premium, if any, and interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected by the Trustee or a sum sufficient therefor has been so collected and payment thereof is

legally enforceable at the respective rate or rates prescribed therefor in the Bonds) on overdue principal and premium, if any, and on overdue installments of interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid upon the Bonds, then to the payment of such principal, premium and interest, without any preference or priority, ratably according to the aggregate amount so due; and

third: To the payment of any other amounts required to be paid under this Indenture or the Project Lease; and

fourth: To the payment of the remainder, if any, to the Tenant or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(b) Whenever moneys are to be applied by the Issuer or the Trustee pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee in its sole discretion determines, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Trustee in trust for the proper purpose shall constitute proper application by the Issuer; and the Issuer shall incur no liability to any Owner(s) of Bonds or to any other person for any delay in applying any such moneys, so long as the Issuer acts with reasonable diligence, having due regard to the circumstances, and moneys are applied in accordance with such provisions of this Indenture. Whenever the Trustee exercises such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to any Owner(s) of Bonds of any unpaid Bond until the Bond certificate(s) representing Bonds owned are surrendered to the Trustee as Bond Registrar for appropriate endorsement, or for cancellation if fully paid.

(c) Whenever the principal of and premium, if any, and interest on all Bonds have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid, any balance remaining in the Debt Service Fund shall be paid to the Tenant as provided in *Section 6.07(d)*.

ARTICLE X

THE TRUSTEE

Section 10.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform the trusts in the manner in which a corporate trustee ordinarily would perform the trusts under a corporate indenture, and the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care and skill in its exercise as a prudent corporate trust officer would exercise or use under the circumstances, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) Prior to the occurrence of an Event of Default and after the cure of all Events of Default which may have occurred, the Trustee's duties and responsibilities shall include only those expressly set forth in this Trust Indenture and those rights, duties, responsibilities, and obligations which are reserved to or imposed upon the Issuer under this Trust Indenture, the Site Lease and the Project Lease, excepting only

such of those rights, duties, responsibilities, and obligations as may only be properly and lawfully exercised by or imposed upon the Issuer.

(b) Upon the occurrence of an Event of Default the Trustee shall be and is hereby authorized to bring appropriate action for judgment or such other relief as may be appropriate and such action may be in the name of the Trustee or in the name of the Issuer and Trustee jointly; but in such case, neither the Issuer nor the Trustee shall have any obligation for any fees and expenses of such action except out of any funds available by reason of the ownership of the Project and moneys available under this Trust Indenture and the Project Lease. In addition, the Trustee may file such proof of claim and such other documents as may be necessary and advisable in order to have the claims of the Trustee and the Owner(s) of Bonds relative to the Bonds or the obligations relating thereto allowed in any judicial proceeding.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys or receivers. The Trustee shall be entitled to rely upon the opinion or advice of counsel, who may be counsel to the Trustee, Issuer or the Tenant, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof.

(d) The Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds with the same rights which it would have if it were not Trustee.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any ordinance, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture, the Site Lease or the Project Lease believed by it to be genuine and correct and to have been signed, presented or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent is an Owner(s) of Bonds, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in substitution thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by the mayor of the Issuer or the Authorized Tenant Representative as sufficient evidence of the facts therein contained, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) At any and all reasonable times and upon reasonable prior notification to the Tenant, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect any and all of the Project and all books, papers and records of the Issuer and Tenant pertaining to the Project and the Bonds, and to make such notes and copies as may be desired.

(i) The Trustee shall not be required to give any bond or surety with respect to the execution of its trusts and powers hereunder or otherwise with respect to the Project.

(j) The Trustee shall have the right, but shall not be required, to demand, with respect to the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purpose of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) The Trustee shall not be required to take notice of, or be deemed to have notice of, any default hereunder or under the Site Lease or Project Lease, except the failure by the Issuer to cause to be made any of the payments required to be made under the Project Lease or in accordance with *Article VI* hereof, or the failure by the Issuer to cause compliance by the Tenant with the insurance provisions of *Article VI* of the Project Lease, unless the Trustee shall have been specifically notified in writing of such default by the Issuer or by Owner(s) of Bonds owning at least 25% in aggregate principal amount of all Bonds then Outstanding.

(l) The Trustee may inform the Owner(s) of Bonds of environmental hazards that the Trustee has reason to believe exist with respect to the Project, the Real Property or the Improvements, and the Trustee shall have the right to take no further action with respect thereto, and, in such event, no fiduciary duty shall exist which imposes any obligation for further action by the Trustee with respect to the Project, the Real Property, the Improvements, the enforcement of any remedies hereunder or under the Project Lease, the Trust Estate, or any portion thereof, if, in the reasonable opinion of the Trustee, such action would subject the Trustee to environmental or other liability for which the Trustee has not received indemnity satisfactory to it.

Section 10.02. Fees, Charges and Expenses of the Trustee; Lien for Fees and Costs and Additional Rent. The Trustee shall be entitled to payment of or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary costs, charges and expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the neglect or misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees, costs, expenses and charges of the Trustee as Paying Agent for the Bonds. The Trustee agrees that the Issuer shall have no liability for any fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Tenant for the payment of all fees, charges and expenses of the Trustee and any Paying Agents as provided in the Project Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment prior to payment of principal of, redemption premium, if any, or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing advances, fees, costs and expenses incurred, for Default Administration Costs and for any unpaid Additional Rent owing under the Project Lease.

Section 10.03. Notice to Owner(s) of Bonds if Default Occurs. If an Event of Default occurs, of which the Trustee is aware and of which it is required to take notice, the Trustee shall give written notice thereof to the Owner(s) of Bonds, as shown by the bond registration books required to be maintained by the Trustee and kept at the principal office of the Trustee.

Section 10.04. Intervention by the Trustee. In any judicial proceeding to which the Issuer is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Owner(s) of Bonds, the Trustee may intervene on behalf of the Owner(s) of Bonds and shall do so if

requested in writing by Owner(s) of Bonds owning at least 25% of the aggregate principal amount of Bonds then Outstanding and if provided with indemnity satisfactory to the Trustee.

Section 10.05. Successor Trustee Upon Merger, Consolidation or Sale. Any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 10.06. Resignation of Trustee. The Trustee may resign by an instrument in writing delivered by registered or certified mail to the Issuer and the Tenant to take effect not sooner than 90 days after its delivery, whereupon the Issuer, with the consent of the Tenant, shall immediately, in writing, designate a successor Trustee; provided, however, the Trustee's resignation shall not become effective unless and until a successor Trustee is approved and qualified. In the event the Issuer and the Tenant do not promptly designate a successor trustee, then the Trustee shall have the right to petition a court of competent jurisdiction for the appointment of a successor.

Section 10.07. Removal of Trustee. As long as no Default or Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Issuer or the Tenant; provided, that such removal shall not be effective unless and until a successor trustee is appointed and qualified, and provided further than such removal shall not become effective until after 60 days from the date written notice of such proposed removal is given to the Trustee by first class mail. The Issuer or the Tenant, concurrently with giving notice to the Trustee, shall give notice by first class mail of the proposed removal of the Trustee to all Owner(s) of Bonds. Unless Owner(s) of Bonds owning at least 51% in principal amount of Bonds then Outstanding object in writing to the proposed removal of the Trustee, such removal shall become effective from the date specified in the notices, provided that the successor trustee shall have been qualified and have accepted the duties and responsibilities of the Trustee as of such date. The Trustee may be removed at any time by the written direction of Owner(s) of Bonds owning at least 51% in aggregate principal amount of Bonds then Outstanding.

Section 10.08. Qualifications of Successor Trustee. Every successor Trustee appointed pursuant to the provisions of this Article shall be a trust company or bank in good standing, qualified to accept such trust and acceptable to the Issuer and the Tenant.

Section 10.09. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Tenant an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer.

Section 10.10. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Project Lease, and the Tenant has failed after 30 days written

notice to make such payment the Trustee may pay such tax, assessment or governmental charge or insurance premium or rebate amount, without prejudice, however, to any rights of the Trustee or the Owner(s) of Bonds hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment at a rate per annum equal to the Trustee's published prime rate in effect at the time, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of, premium, if any, or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by Owner(s) of Bonds owning at least 25% of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment.

Section 10.11. Trust Estate May Be Vested in Co-trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, the Site Lease or the Project Lease, and in particular in case of the enforcement of either a default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Issuer be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, then any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer.

(d) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 10.12. Annual Accounting. The Trustee shall render an annual accounting to the Tenant, to the Issuer upon request, and to any Owner(s) of Bonds requesting the same in writing and remitting reasonable charges for preparing such copies, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period and the balance in any funds or accounts created by this Indenture as of the beginning and close of such accounting period.

Section 10.13. Performance of Duties under the Site Lease and Project Lease. The Trustee hereby accepts and agrees to perform, in such manner as is consistent with the terms of those instruments and this Indenture, all duties and obligations assigned to it under the Site Lease and Project Lease.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 11.01. Supplemental Indentures Not Requiring Consent of Owner(s) of Bonds. The Issuer and the Trustee may from time to time, without the consent of any of the Owner(s) of Bonds, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture or to make any other change not prejudicial to the Owner(s) of Bonds;

(b) To grant to or confer upon the Trustee for the benefit of the Owner(s) of Bonds any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owner(s) of Bonds;

(c) To more precisely identify the Project or to add additional property thereto;

(d) To subject to this Indenture additional revenues, properties or collateral; and

(e) To issue Additional Bonds as provided in *Section 2.09* hereof.

Section 11.02. Supplemental Indentures Requiring Consent of Owner(s) of Bonds.

(a) Exclusive of Supplemental Indentures described in *Section 11.01* hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Owner(s) of Bonds owning not less than 66-2/3% in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, except as provided in subparagraph (b) of this *Section 11.02*, nothing in this Section contained shall permit or be construed as permitting (i) an extension of the maturity of the principal of or the accrual of, or dates of payment of, interest on any Bond issued hereunder, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or (iii) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of Bonds the Owners of which are required for consent to any such Supplemental Indenture.

(b) Any provision of this Indenture or the Bonds may be amended with the written consent of the Owners owning 100% in aggregate principal amount then Outstanding.

Section 11.03. Tenant's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article which affects any rights of the Tenant shall not become effective unless and until the Tenant shall have consented in writing to the execution and delivery of such Supplemental Indenture, provided that receipt by the Trustee of an amendment to the

Project Lease executed by the Tenant in connection with the issuance of Additional Bonds under *Section 2.09* hereof shall be deemed to constitute consent of the Tenant to the execution of a Supplemental Indenture pursuant to *Section 2.09* hereof. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Indenture (other than a Supplemental Indenture proposed to be executed and delivered pursuant to *Section 2.09* hereof) together with a copy of the proposed Supplemental Indenture to be mailed to the Tenant at least 15 days prior to the proposed date of execution and delivery of any such Supplemental Indenture.

ARTICLE XII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 12.01. Satisfaction and Discharge of the Indenture.

(a) When the principal of, premium, if any, and interest on all Bonds shall have been paid in accordance with their terms or provision has been made for such payment, as provided in *Section 12.02* hereof, and provision shall also have been made for paying all other sums payable hereunder, including the fees and expenses of the Trustee and the Paying Agent to the date of retirement of the Bonds, then the duties of the Trustee under this Indenture shall cease. Thereupon the Trustee shall discharge and release this Indenture and shall execute, acknowledge and deliver to the Issuer such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the Issuer any property at the time subject to this Indenture which may then be in its possession, except amounts in the Debt Service Fund required to be paid to the Tenant under *Section 6.05(d)* hereof and except funds or securities in which such funds are invested and held by the Trustee for the payment of the principal of, and interest accrued on, the Bonds. Notwithstanding anything otherwise provided herein, the provisions of this Indenture relating to compensation and indemnification of the Trustee shall survive satisfaction and discharge of the Indenture.

(b) The Issuer is hereby authorized to accept a certificate by the Trustee that the principal of, premium, if any, and interest due and payable upon all of the Bonds then Outstanding and all amounts required to be paid to the United States have been paid or such payment provided for in accordance with *Section 12.02* hereof as evidence of satisfaction of this Indenture, and upon receipt thereof shall deem this Indenture discharged.

Section 12.02. Bonds Deemed to be Paid.

(a) Bonds shall be deemed to be paid within the meaning of this Indenture when payment of the principal of and the applicable premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (A) moneys sufficient to make such payment or (B) non-callable Government Securities maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment. Bonds shall also be deemed paid if the Bond certificate(s) are surrendered to the Bank as paying agent, accompanied by a written communication from the registered Owner waiving payment and directing that they be cancelled without actual payment. At such time as a Bond shall be deemed to be paid hereunder, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Government Securities. As a

condition to the Bonds being deemed paid, the Trustee shall have received an opinion of Bond Counsel to the effect that the conditions of this Section have been satisfied.

(b) Notwithstanding the foregoing, in the case of the redemption of Bonds which by their terms may be redeemed prior to the stated maturities thereof, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds until proper notice of such redemption shall have been given in accordance with *Article III* of this Indenture or irrevocable instructions shall have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other Section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds (including premium thereon, if any) and interest thereon shall be applied to and used solely for the payment of the particular Bonds (including premium thereon, if any) and interest thereon with respect to which such moneys and Government Securities have been so set aside in trust.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

Section 13.01. Consents and Other Instruments by Owner(s) of Bonds.

(a) Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Owner(s) of Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner(s) of Bonds in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(i) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(ii) The fact of ownership of Bonds and the amount or amounts, number and other identification of such Bonds, and the date of holding the same shall be proved by the registration books of the Issuer maintained by the Trustee.

(b) In determining whether the Owner(s) of Bonds owning the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Tenant or any affiliate of the Tenant shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded. For purposes of this paragraph, the word "affiliate" means any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Tenant; and for the purposes of this definition, "control" means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise. Notwithstanding the foregoing, Bonds so owned which have

been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Tenant or any affiliate of the Tenant.

Section 13.02. Limitation of Rights Under the Indenture. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be inferred from this Indenture or the Bonds is intended or shall be construed to give any person other than the parties hereto, and the Owner(s) of Bonds, any right, remedy or claim under or with respect to this Indenture, and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Tenant and the Owner(s) of Bonds as herein provided.

Section 13.03. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Indenture shall be in writing and shall be deemed duly given or filed if the same shall be duly mailed by registered or certified mail, postage prepaid, to the Notice Representative.

All notices given by certified or registered mail shall be deemed duly given as of the date they are so mailed. A duplicate copy of each notice, certificate or other communication given hereunder by either the Issuer or the Tenant to the other shall also be given to the Trustee. The Issuer, the Trustee and the Tenant may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

Section 13.04. Suspension of Mail Service. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Trustee shall constitute a sufficient notice.

Section 13.05. Severability. If any provision of this Indenture shall be held or deemed to be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

Section 13.06. Execution in Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 13.07. Governing Law. This Indenture shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 13.08. Electronic Transactions. The transaction described herein may be conducted and related documents may be stored by electronic means. Except for the Bond certificates, copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

The principal or redemption price of this Bond shall be paid at maturity or upon earlier redemption to the person in whose name this Bond is registered at the maturity or redemption date

thereof, upon presentation and surrender of this Bond at the principal corporate trust office or other designated office of Security Bank of Kansas City in Kansas City, Kansas (the "Paying Agent" and "Trustee"). The interest payable on this Bond on any Interest Payment Date shall be paid to the person in whose name this Bond is registered on the registration books maintained by the Trustee at the close of business on the Record Date(s) for such interest, which shall be the 1st day (whether or not a business day) of the calendar month of such Interest Payment Date. The principal or redemption price of and interest on the Bonds shall be payable in any coin or currency that, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. Interest not punctually paid will be paid in the manner established in the within defined Indenture.

Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the hereinafter defined Indenture.

This Bond certificate evidences ownership of a part of a duly authorized series of Bonds of the Issuer designated "City of El Dorado, Kansas Taxable Industrial Revenue Bonds, Series 2024 (Gordy Heritage, LLC)," in the aggregate original principal amount of $11,500,000 (the "Series 2024 Bonds"), issued for the purpose of providing funds to pay the costs of the acquisition, renovation, construction and equipping of a senior apartments facility (the "Project"), to be leased by the Issuer to Gordy Heritage, LLC, a Kansas limited liability company (the "Tenant"), under the terms of a Project Lease dated as of November 1, 2024, between the Issuer and the Tenant (the Project Lease, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the "Project Lease"), all pursuant to the authority of and in conformity with the provisions, restrictions and limitations of the constitution and statutes of the State of Kansas, including particularly K.S.A. 12-1740 *et seq*. and pursuant to proceedings duly had by the governing body of the Issuer.

The Series 2024 Bonds are issued under and are equally and ratably secured and entitled to the protection of the Trust Indenture, dated as of November 1, 2024 (the Trust Indenture, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the "Indenture"), between the Issuer and the Trustee. Subject to the terms and conditions set forth therein, the Indenture permits the Issuer to issue Additional Bonds (as defined therein) secured by the Indenture ratably and on a parity with the Series 2024 Bonds (the Series 2024 Bonds together with such Additional Bonds being herein referred to collectively as the "Bonds"). Reference is hereby made to the Indenture for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Owner(s) of Bonds, and the terms upon which the Bonds are issued and secured.

The Series 2024 Bonds are subject to redemption and payment prior to Stated Maturity, at the option of the Issuer, upon instructions from the Tenant, as a whole or in part on any date, at the redemption price of the par value of the principal amount thereof, without premium, plus accrued interest thereon to the date fixed for redemption and payment.

When any Bonds are called for redemption, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice at least 30 days prior to the date fixed for redemption to the Owner of each Bond to be redeemed at the address shown on the registration books

maintained by the Trustee; provided, however, failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds. If less than all of the Outstanding Bonds of this series are called for redemption, Bonds shall be redeemed as directed in writing by the Tenant. Bonds of less than a full maturity shall be selected by the Trustee in such equitable manner as it may determine. All Bonds so called for redemption will cease to bear interest on the specified Redemption Date and shall no longer be secured by the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture.

The Bonds and the interest thereon are limited obligations of the Issuer payable exclusively out of the Trust Estate under the Indenture, including but not limited to the rents, revenues and receipts under the Project Lease, and are secured by a pledge of the Project (including any Project Additions) as described in the Project Lease and a pledge and assignment of the Trust Estate, including all rentals and other amounts to be received by the Issuer under and pursuant to the Project Lease, all as provided in the Indenture. The Bonds and the interest thereon do not constitute a debt or general obligation of the Issuer, the State of Kansas or any municipal corporation thereof, and are not payable in any manner by taxation. The Bonds do not constitute an indebtedness within the meaning of constitutional or statutory debt limitations or restrictions. Pursuant to the provisions of the Project Lease, Basic Rent is to be paid by the Tenant directly to the Trustee for the account of the Issuer and deposited in a special trust account created by the Issuer and designated "City of El Dorado, Kansas Debt Service Fund (Gordy Heritage, LLC)."

No Owner of Bonds shall have the right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then Outstanding may become or may be declared due and payable prior to the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of this Bond or the Indenture may be made only to the extent and under the circumstances permitted by the Indenture.

This Bond certificate is transferable, as provided in the Indenture, only upon the registration books of the Issuer kept for that purpose at the above mentioned office of the Bond Registrar and Paying Agent by the Owner hereof in person or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or such Owner's duly authorized attorney, and thereupon a new Bond certificate in the same aggregate principal amount, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Tenant has agreed to pay as Additional Rent under the Project Lease all costs incurred in connection with the issuance, transfer, exchange, registration, redemption or payment of the Bonds except (a) the reasonable fees and expenses in connection with the replacement of certificates mutilated, stolen, lost or destroyed or (b) any tax or other governmental charge imposed in relation to the transfer, exchange, registration, redemption or payment of the Bonds. The Issuer, the Trustee and any Paying Agent may deem and treat the person in whose name this Bond certificate is registered as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

This Bond certificate shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the

issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, Issuer has caused this Bond certificate to be executed in its name by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk and its official seal to be affixed hereto or imprinted hereon, and has caused the Bonds to be dated as of November 26, 2024.

SITE LEASE

THIS SITE LEASE entered into as of November 1, 2024 between Gordy Heritage, LLC, a Kansas limited liability company (the "Lessor"), and the City of El Dorado, Kansas a municipal corporation incorporated as a city of the second class under the laws of the State of Kansas (the "Issuer");

WITNESSETH:

WHEREAS, Lessor has requested that the Issuer issue its Taxable Industrial Revenue Bonds, Series 2024 (Gordy Heritage, LLC) (the "Bonds") under and pursuant to K.S.A. 12-1740 *et seq.*, as amended (the "Act"), for the purpose of financing the acquisition, renovation, construction and equipping of a senior apartments facility (the "Improvements"), which Bonds shall be issued and secured under the provisions of an Ordinance duly enacted by the Issuer and a Trust Indenture dated as of November 1, 2024 (the "Indenture") entered into between the Issuer and Security Bank of Kansas City, as Trustee (the "Trustee"); and

WHEREAS, the Improvements are to be constructed and installed on a tract of land (the "Real Property") more specifically described in *Schedule I* attached hereto, which property is owned by the Lessor; and

WHEREAS, the Project, consisting of the leasehold under this Site Lease and the Improvements located on the Real Property shall be leased by the Issuer to the Lessor, as Tenant, under and pursuant to a Lease dated as of November 1, 2024 (the "Project Lease"); and

WHEREAS, in consideration of the issuance of the Bonds by the Issuer and the execution and delivery by the Issuer of the Project Lease, the Lessor is willing to lease the Real Property to provide the Issuer a leasehold interest in the Real Property; and

WHEREAS, the Lessor will not take any action to disturb, alter, avoid or set aside the leasehold interest of the Issuer created under this Site Lease as long as the Bonds are outstanding;

THEREFORE, in consideration of the mutual covenants and agreements contained herein, the sufficiency of which consideration is hereby acknowledged, the Lessor and the Issuer agree as follows:

ARTICLE I

Section 1.1. Representation and Covenants of Lessor. The Lessor makes the following representations and covenants:

(a) It is a Kansas limited liability company duly authorized and qualified to do business in the state of Kansas (the "State"), with lawful power and authority to enter into this Site Lease, acting by and through a designated signatory.

(b) It (i) shall maintain its authority to do business in the State, and (ii) shall not initiate any proceedings to liquidate without providing written notice to the Issuer and Trustee.

(c) To the knowledge of the Lessor, neither the execution nor delivery of this Site Lease, the consummation of the transactions contemplated hereby or by the Indenture, nor the fulfillment of or compliance with the terms and conditions of this Site Lease contravenes any provisions of its articles of

organization and operating agreement, or conflicts with or results in a material breach of the terms, conditions or provisions of any mortgage, debt, agreement, indenture or instrument to which it is a party or by which it is bound, or to which it or any of its properties is subject, or would constitute a default (without regard to any required notice or the passage of any period of time) under any of the foregoing or would result in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of its property or assets under the terms of any mortgage, debt, agreement, indenture or instrument, or violates any existing law, administrative regulation or court order or consent decree to which it is subject.

(d) This Site Lease constitutes a legal, valid and binding obligation, enforceable against it in accordance with its terms.

Section 1.2. Representations and Covenants by the Issuer. The Issuer represents, covenants and warrants, to the best of its knowledge and belief, as follows:

(a) It is a municipal corporation duly incorporated and existing as a city of the second class under the constitution and laws of the State. Under the provisions of the Act, the Issuer has the power to enter into and perform the transactions contemplated by this Site Lease and the Project Lease and to carry out its obligations hereunder and thereunder.

(b) It has not, in whole or in part, assigned, leased, hypothecated or otherwise created any other interest in, or disposed of, or caused or permitted any lien, claim or encumbrance to be placed against its interest in, the Real Property, except for the pledge of its leasehold interest in the Real Property under this Site Lease to the payment of the Bonds.

(c) Except as otherwise provided herein or in the Indenture, it will not during the Site Lease Term, in whole or in part, assign, lease, hypothecate or otherwise create any other interest in, or dispose of, or cause or permit any lien, claim or encumbrance to be placed against its interest in the Real Property, except for the pledge of the Project pursuant to the Indenture.

(d) It has duly authorized the execution and delivery of this Site Lease in connection with the execution and delivery of the Project Lease.

ARTICLE II

Section 2.1. Grant of Leasehold. Lessor, in consideration of the issuance of the Bonds and the contemporaneous execution and delivery of the Project Lease, hereby rents, leases and lets unto the Issuer, and the Issuer hereby rents, leases and hires from Lessor, upon and subject to the terms and conditions hereinafter set forth, the Real Property for a term commencing as of the date of this Site Lease and ending on December 31, 2034 (or such earlier date as the principal of, redemption premium, if any, and interest on all Outstanding Bonds is paid in full) (the "Site Lease Term").

Section 2.2. Consideration. The issuance of the Bonds and the contemporaneous execution and delivery of the Project Lease by the Issuer are the sole consideration to be received by the Lessor for the grant of this Site Lease. No cash rentals shall be payable hereunder.

Section 2.3. Impositions. Lessor, as Tenant under the Project Lease, shall bear, pay and discharge, before the delinquency thereof, any and all taxes and assessments, general and special, which may be lawfully levied or assessed against or in respect of the Real Property, or any part thereof, or any improvements at any time erected thereon, and all water and sewer charges, assessments (including special assessments) and other similar governmental charges whatsoever,

foreseen or unforeseen, which if not paid when due would encumber the fee simple title to the Real Property ("Impositions"). In the event any Impositions may be lawfully paid in installments, Lessor shall be required to pay only such installments thereof as become due and payable during the term of this Site Lease, as and when the same become due and payable.

Section 2.4. Contest of Impositions. Lessor, as Tenant under the Project Lease, shall have the right to contest the validity or amount of any Imposition by appropriate legal proceeding instituted at least ten days before the Imposition complained of becomes delinquent, on the condition that Lessor or its sublessee shall give Issuer written notice of its intention to do so and shall diligently prosecute any such contest, effectively stay or prevent official or judicial sale therefor, under execution or otherwise, and shall promptly pay any final judgment in forcing the Imposition so contested and thereafter secure record release or satisfaction thereof.

Section 2.5. Assignment and Sublease. Issuer covenants that it will not, without Lessor's written consent, unless required by law, ordinance or the terms of the Project Lease or the Indenture, sell, assign, sublease or otherwise part with or encumber its interest in the Real Property at any time during the Site Lease Term, except that Issuer may sublease the Real Property to the Lessor as a part of property leased by the Issuer pursuant to the Project Lease.

Section 2.6. Use of Real Property. Except as may be stated to the contrary in this Site Lease, Issuer shall have no right or authority with respect to the Real Property except to lease the Real Property pursuant to the Project Lease for use as provided therein. The parties will comply with all federal, state and local laws, regulations and requirements as to the manner of use or the condition of the Real Property, or of adjoining public ways, now or hereafter applicable to the Real Property, and Issuer shall comply with the mandatory requirements of all insurers under policies required to be carried under the provisions of the Project Lease.

Section 2.7. Covenant Against Other Assignments. Neither party to this Site Lease shall assign or in any manner transfer its interest under this Site Lease, nor will it suffer or permit any assignment thereof by operation of law, except in accordance with the limitations, conditions and requirements set forth herein, and, to the extent applicable, the Indenture and the Project Lease.

ARTICLE III

Section 3.1. Improvements. Issuer shall have the right, from the proceeds of the Bonds, to construct on the Real Property, or in the air space above the Real Property, such building improvements as the Issuer from time to time may deem necessary or advisable in accordance with and subject to the provisions of the Project Lease.

Section 3.2. Mechanic's Liens. Neither party to the Site Lease shall permit or suffer anything to be done whereby the Real Property, or any part thereof, may be encumbered by any mechanic's or other similar lien. If any mechanic's or other similar lien is filed against the Real Property, or any part thereof, the same shall be dealt with as provided in the Project Lease. Notice is hereby given that except to the extent payable from the proceeds of the Bonds issued concurrently with the execution and delivery of the Project Lease, the Issuer does not authorize or consent to the furnishing of any labor or materials to the Real Property and it shall not be liable for them.

Section 3.3. Contest of Liens. In the event any mechanic's or other similar lien is filed against the Real Property, or any part thereof, the Issuer or the Lessor may contest such lien in the manner and as provided in the Project Lease.

ARTICLE IV

Section 4.1. Indemnity. The Lessor shall indemnify the Issuer from any and all claims, demands, liabilities and costs, including attorney's fees, arising from damage or injury, actual or claimed, to property or persons occurring or allegedly occurring in, on or about the Project during the term hereof; provided, however, the indemnity described in this section shall be subject in all respects to the provisions of the Project Lease.

Section 4.2. Access to Real Property. The Issuer, for itself and its duly authorized representatives and agents, including the Tenant under the Project Lease and the Trustee under the Indenture, shall have the right to enter the Real Property at any reasonable time throughout the term of this Site Lease for the purposes of performing any work made necessary by reason of any Event of Default under the Project Lease, and, while an Event of Default (as defined therein) is continuing under the Project Lease, for the purpose of exhibiting the Real Property and the improvements constructed thereon to prospective purchasers, lessees or mortgagees.

ARTICLE V

Section 5.1. Non-Disturbance of Leasehold Interest. Lessor and the Issuer each covenant and agree with one another, that as long as the Issuer, its sublessee, their successors or assigns, shall continue to perform all obligations provided for in this Site Lease, including the discharge of all obligations and covenants hereunder, the Issuer, its assignee or sublessee shall have a leasehold interest in the Real Property, notwithstanding the occurrence of any Event of Default under the Project Lease until this Site Lease is terminated according to its terms.

Section 5.2. Release of Leasehold Interest. Upon cancellation or termination of this Site Lease, the Issuer shall release its leasehold interest in the Real Property to Lessor as provided in the Project Lease.

Section 5.3. Notices. All notices required to be given hereunder shall be given to the notice representative designated for each of the parties in the Project Lease. To be effective, notices required or desired to be given hereunder shall be given in the manner provided in the Project Lease.

Section 5.5. Waiver. No waiver of any breach of any covenant or agreement contained in this Site Lease shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in the event of a breach by either party of any covenant, agreement or undertaking, the nondefaulting party may nevertheless accept from the other any performance without in any way waiving its right to exercise any of its rights and remedies provided for herein or otherwise with respect to any other default.

ARTICLE VI

Section 6.1. Purpose of Site Lease. The parties acknowledge and agree that this Site Lease is executed and delivered concurrently with the execution and delivery of the Project Lease and the other documents and agreements executed in connection therewith and as a condition precedent thereto, and that the Trustee and the owners of the Bonds shall be deemed to be third party beneficiaries.

Section 6.2. Limitation of Liability. The liability of Issuer under this Site Lease for any payments to be made to or for the account of Lessor is specifically limited, such that the Issuer shall have no liability beyond the value of the Real Property, the Project, or the rentals and receipts to be received by the Issuer under the Project Lease.

Section 6.3. Amendments. This Site Lease may be amended or modified in the manner prescribed in the Project Lease with respect to amendments thereto.

ARTICLE VII

Section 7.1. Construction and Enforcement. This Site Lease shall be construed and enforced in accordance with the laws of the State of Kansas. The provisions of this Site Lease shall be applied and interpreted in accordance with the rules of interpretation set forth in the Project Lease. Words and terms used herein shall have the meanings set forth in the Project Lease if not expressly defined in this Site Lease.

Section 7.2. Partial Invalidity. If for any reason any provision hereof shall be termed to be invalid or unenforceable, such partial invalidity shall not affect the remainder of the provisions hereof.

Section 7.3. Binding Effect. The covenants, agreements and conditions herein shall be binding upon and inure to the benefit of the parties, their respective successors and assigns.

Section 7.4. Section Headings. The section headings hereof are for the convenience of reference only and shall not be treated as a part of this Site Lease or as affecting the true meanings of the provisions hereof.

Section 7.5. Execution of Counterparts; Electronic Transactions. This Site Lease may be executed simultaneously in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one instrument. The transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

WITNESSETH:

WHEREAS, the Issuer, in furtherance of the purposes and pursuant to the provisions of the laws of the State, particularly K.S.A. 12-1740 *et seq*. (the "Act"), and in order to provide for the economic development and welfare of the Issuer and its environs and to provide employment opportunities for its citizens and to promote the economic stability of the State, has proposed and does hereby propose that it shall:

WHEREAS, the Tenant, pursuant to the foregoing proposals of the Issuer, desires to lease the Project from the Issuer for the rentals and upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein set forth, Issuer and the Tenant do hereby covenant and agree as follows:

"Additional Rent" means all fees, charges, costs and expenses of the Trustee or the Issuer (including reasonable attorneys' fees), all Impositions, all Default Administration Costs, all other payments of whatever nature payable or to become payable pursuant to the Indenture or which the Tenant has agreed to pay or assume under the provisions of this Project Lease and any and all expenses (including reasonable attorneys' fees) incurred by the Issuer or the Trustee in connection with the issuance of the Bonds or the administration or enforcement of any rights under this Project Lease or the Indenture. The fees, charges, costs and expenses of the Trustee shall include all costs incurred in connection with the issuance, transfer, exchange, registration, redemption or payment of the Bonds and the administration or enforcement of any rights or obligations under this Project Lease, or the Indenture except (a) the reasonable fees and expenses in connection with the replacement of a Bond or Bonds mutilated, stolen, lost or destroyed or (b) any tax or other government charge imposed on the Trustee in relation to the transfer, exchange, registration, redemption or payment of the Bonds.

(b) Except as otherwise permitted herein, the Tenant shall (i) maintain and preserve its existence and organization as a limited liability company and its authority to do business in the State and to operate the Project; and (ii) not initiate any proceedings of any kind whatsoever to dissolve or liquidate without (A) securing the prior written consent thereto of the Issuer and (B) making provision for the payment in full of the principal of, redemption premium, if any, and interest on the Bonds. If, at any time during the Term of this Project Lease or the Indenture, the Tenant changes its state of organization, changes its form of organization, changes its name, or takes any other action which could affect the proper location for filing Uniform Commercial Code financing statements or continuation statements or which could render existing filings seriously misleading or invalid, the Tenant shall immediately provide written notice of such change to the Trustee, and thereafter promptly deliver to the Trustee such amendments and/or replacement financing statements, together with an Opinion of Counsel to the effect that such amendments and/or replacement financing statements have been properly filed so as to create a perfected security interest in the collateral securing the Indenture, and such additional information or documentation regarding such change as the Trustee may reasonably request.

(c) Neither the execution and/or delivery of this Project Lease, the consummation of the transactions contemplated hereby or by the Indenture, nor the fulfillment of or compliance with the terms and conditions of this Project Lease contravenes in any material respect any provisions of its articles of organization or operating agreement, or conflicts in any material respect with or results in a material breach of the terms, conditions or provisions of any mortgage, debt, agreement, indenture or instrument to which the Tenant is a party or by which it is bound, or to which it or any of its properties is subject, or would constitute a material default (without regard to any required notice or the passage of any period of time) under any of the foregoing, or would result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Tenant under the terms of any mortgage, debt, agreement, indenture or instrument, or violates in any material respect any existing law, administrative regulation or court order or consent decree to which the Tenant is subject.

(d) This Project Lease constitutes a legal, valid and binding obligation of the Tenant enforceable against the Tenant in accordance with its terms.

(e) The Tenant agrees to operate and will operate the Project, or cause the Project to be operated as a "facility," as that term is contemplated in the Act, from the date of the Issuer's acquisition of the Project to the end of the Term.

(f) The Tenant has obtained or will obtain any and all permits, authorizations, licenses and franchises necessary to construct the Improvements and to enable it to operate and utilize the Project for the purposes for which it was leased by the Tenant under this Project Lease.

(g) The estimated total cost of the Improvements to be financed by the proceeds of the Bonds, plus interest on the Bonds during acquisition, construction and installation of the Improvements, and Costs of Issuance of the Bonds, will not be less than the original aggregate principal amount of the Bonds.

(h) After reasonable inquiry and investigation, the Tenant is not aware of (i) any Hazardous Substances generated from or located on the Project; (ii) any prior use of the Real Property which might reasonably involve Hazardous Substances; or (iii) any investigations, complaints or inquiries of any kind, from any source, concerning Hazardous Substances with respect to the Project or properties adjoining the Project.

(i) The Tenant will not use or permit the Project to be used by any other person or entity in any manner which would involve the generation, storage, disposal or transportation of Hazardous Substances, except in strict compliance with applicable Environmental Laws.

(j) The proceeds of the Bonds are to be used to pay or reimburse payment of the costs to acquire, construct, install, equip and furnish the Project.

Section 1.3. Representations and Covenants by the Issuer.
The Issuer represents, covenants and warrants, to the best of its knowledge and belief, as follows:

(a) It is a municipal corporation duly incorporated and existing as a city of the second class under the constitution and laws of the State. Under the provisions of the Act and the Ordinance, the Issuer has the power to enter into and perform the transactions contemplated by this Project Lease and the Indenture and to carry out its obligations hereunder and thereunder.

(b) It has not, in whole or in part, assigned, leased, hypothecated or otherwise created any other interest in, or disposed of, or caused or permitted any lien, claim or encumbrance to be placed against, the Project, except for this Project Lease, the assignment of this Project Lease to the Trustee, any Permitted Encumbrances, any Impositions, and the pledge of the Project pursuant to the Indenture.

(c) Except as otherwise provided herein or in the Indenture, it will not during the Term, in whole or in part, assign, lease, hypothecate or otherwise create any other interest in, or dispose of, or cause or permit any lien, claim or encumbrance to be placed against, the Project, except Permitted Encumbrances, this Project Lease, any Impositions and the pledge of the Project pursuant to the Indenture.

(d) It has pledged the Project and the net rentals therefrom generated under this Project Lease to payment of the Bonds in the manner prescribed by the Act, and has duly authorized the execution and delivery of this Project Lease and the Indenture and the issuance, sale and delivery of the Bonds.

(e) It has notified or obtained the consent to and/or approval of the issuance of the Bonds by each municipal corporation and political subdivision, the notification, consent or approval of which is required by the provisions of the Act.

ARTICLE II

Section 2.1. Granting of Leasehold. The Issuer by these presents hereby rents, leases and lets the Project unto the Tenant and the Tenant hereby rents, leases and hires the Project for the Term from the Issuer, for the rentals and upon and subject to the terms and conditions hereinafter set forth.

ARTICLE III

Section 3.1. Basic Rent. The Issuer reserves and the Tenant covenants and agrees to pay Basic Rent to the Trustee, as assignee of the Issuer, for the account of the Issuer, for deposit in the Debt Service Fund, on each Basic Rent Payment Date. Basic Rent shall be payable at the principal office of the Trustee on each Basic Rent Payment Date. Notwithstanding the foregoing, if the Tenant is the sole Owner of the Bonds, payments of Basic Rent made by the Tenant under the Project Lease which coincide with payments of principal and interest on the Bonds may be entered on the books of the Tenant as Owner of the Bonds without being deposited in the Debt Service Fund and the Trustee shall not be required to take notice, or be deemed

to have notice, of any default in such payments. Such payments shall be credited against the Tenant's obligation to make payments of Basic Rent under the Project Lease and against the Issuer's obligation to make payments of principal and interest on the Bonds.

Section 3.2. Additional Rent. Within 30 days after receipt of written notice thereof, the Tenant shall pay any Additional Rent required to be paid pursuant to this Project Lease not already paid.

Section 3.3. Rent Payable Without Abatement or Setoff. The Tenant covenants and agrees with and for the express benefit of the Issuer and the Owner that all payments of Basic Rent and Additional Rent shall be made by the Tenant as the same become due, and that the Tenant shall perform all of its obligations, covenants and agreements hereunder without notice or demand and without abatement, deduction, setoff, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Improvements shall have been acquired, started or completed, or whether the Issuer's interest in the Project or any part thereof is defective or non-existent, and notwithstanding any failure of consideration or commercial frustration of purpose, the eviction or constructive eviction of the Tenant or any subtenant, any Change of Circumstances, any change in the tax or other laws of the United States of America, the State, or any political subdivision of either, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any action of the Issuer or any other event or condition whatsoever, and regardless of the invalidity of any portion of this Project Lease, and the Tenant hereby waives the provisions of any statute or other law now or hereafter in effect contrary to any of its obligations, covenants or agreements under this Project Lease or which releases or purports to release the Tenant therefrom. Nothing in this Project Lease shall be construed as a waiver by the Tenant of any rights or claims the Tenant may have against the Issuer under this Project Lease or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Project Lease that the Tenant shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Project Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owner.

Section 3.4. Prepayment of Basic Rent. The Tenant may at any time prepay all or any part of the Basic Rent. Prepayments of Basic Rent will be applied to redemption of the Bonds (other than mandatory sinking fund redemption), including payment of redemption premium, as directed in writing by the Tenant, to the extent that Bonds are subject to optional redemption at the time of prepayment. Otherwise, prepayments of Basic Rent will be deposited in the Debt Service Fund to be applied to purchase of Bonds as provided in the Indenture, or to optional redemption of Bonds (including redemption premium and interest) at the earliest date on which Bonds are subject to optional redemption.

Section 3.5. Deposit of Rent by the Trustee. As assignee of the Issuer's rights hereunder, the Trustee shall deposit, use and apply all payments of Basic Rent and Additional Rent in accordance with the provisions of this Project Lease and the Indenture.

Section 3.6. Acquisition of Bonds. If the Tenant acquires any or all of the Outstanding Bonds, it may present the certificate(s) representing such part of the Bonds to the Trustee for cancellation, and upon such cancellation, the Tenant's obligation to pay Basic Rent shall be reduced or terminated, as the case may be, in the same manner as provided for prepayments by the Tenant of Basic Rent. In no event, however, shall the Tenant's obligation to pay Basic Rent be reduced in such a manner that the Trustee shall not have on deposit in the Debt Service Fund, funds sufficient to pay the maturing principal of, redemption premium, if any, and interest on Outstanding Bonds as and when the same shall become due and according to the terms of the Bonds; except in the case when Tenant owns and surrenders all of the Outstanding Bonds.

ARTICLE IV

Section 4.1. Disposition of Original Proceeds; Project Fund. Except as otherwise provided below, the Original Proceeds shall be paid over to the Trustee or shall be deemed to be paid over to the Trustee for the account of the Issuer and applied as set forth in *Section 5.02* of the Indenture. Notwithstanding any statement set forth in this Project Lease or in the Indenture to the contrary, in the event Tenant has completed the Project prior to the Issue Date with its own funds, then Tenant shall not be required to deposit the Original Proceeds with the Trustee. In such an event, the Tenant shall certify to the Issuer and Trustee that the Project has been completed and paid in full, whereupon the Issuer and Trustee shall deliver the Bonds to the Tenant on the Issue Date.

ARTICLE V

Section 5.1. Acquisition of Interest in Real Property and Improvements. The Tenant shall prior to or concurrently with the issuance of the Bonds, execute and deliver the Site Lease under which the Tenant shall lease to the Issuer, subject to Permitted Encumbrances, the Real Property as described in *Schedule I*, and such of the Improvements as are then completed, installed or in progress. The Tenant shall also concurrently with delivery of the Site Lease make provisions for the discharge or subordination to the interests acquired by the Issuer of any liens or encumbrances incurred by it in connection with the construction, installation or development of the Improvements, other than Permitted Encumbrances.

Section 5.2. Project Contracts. Prior to the delivery of this Project Lease, the Tenant may have entered into a contract or contracts with respect to the acquisition and/or construction of the Improvements. Those contracts, and any such contracts entered into by the Tenant or the Issuer after delivery of this Project Lease, are hereinafter referred to as the "Project Contracts." Prior to the delivery hereof, work has been or may have been performed on the Improvements pursuant to the Project Contracts or otherwise. The Tenant hereby covenants with the Issuer to perform the Project Contracts for the benefit of the Issuer as its own benefit as tenant under this Project Lease, and the Issuer hereby designates the Tenant as the Issuer's agent for the purpose of executing and performing the Project Contracts. After the execution hereof, the Tenant shall cause the Project Contracts to be fully performed by the contractor(s), subcontractor(s) and supplier(s) thereunder in accordance with the terms thereof, and the Tenant covenants to cause the Improvements to be acquired, constructed, installed and/or completed in accordance with the Project Contracts. The Tenant warrants that the construction and/or acquisition of the Improvements in accordance with the Project Contracts will result in the Project being suitable for use by the Tenant as a senior apartments facility.

Section 5.3. Payment of Project Costs for Buildings and Improvements. The Issuer hereby agrees to pay or reimburse the Tenant for the acquisition or construction of the Improvements or any repairs or replacements to be made pursuant to *Article XVIII* of this Project Lease, but solely from Original Proceeds of the Bonds (or Net Proceeds, as applicable) as deposited in the Project Fund, and hereby authorizes and directs the Trustee to pay for the same, but solely from the Project Fund, from time to time, after issuance of the Bonds while the Tenant is in compliance with the requirements of *Section 6.1* hereof, upon receipt by the Trustee of a requisition certificate signed by the Authorized Tenant Representative in the form set forth as *Appendix A* hereto, which is incorporated herein by reference. If, pursuant to *Article IV* of the Project Lease and *Section 2.08(f)* of the Indenture, the Trustee is deemed to have deposited the Original Proceeds into the Project Fund, the Trustee shall be deemed to have disbursed such funds from the Project Fund to the Tenant (or such other entity designated by the Tenant) in satisfaction of the requisition certificate.

The sole obligation of the Issuer under this paragraph shall be to cause the Trustee to make such disbursements upon receipt of such certificates and releases or waivers. The Trustee may rely fully on any such certificates and shall not be required to make any investigation in connection therewith.

Section 5.4. Payment of Project Costs for Machinery and Equipment. The Issuer hereby agrees to pay for the purchase and acquisition of any machinery and equipment constituting a part of the Improvements, but solely from the Project Fund, from time to time, upon receipt by the Trustee of a certificate signed by the Authorized Tenant Representative in the form provided by *Appendix A* hereto, which is incorporated herein by reference.

The sole obligation of the Issuer under this Section shall be to cause the Trustee to make such disbursements upon receipt of the certificates and proof of mechanic's or subcontractor's lien waiver or release, if the item is to become a fixture on the Real Property. The Trustee may rely fully on any such certificate and supporting documentation and shall not be required to make any independent investigation in connection therewith. All machinery, equipment and/or personal property acquired, in whole or in part, from funds deposited in the Project Fund pursuant to this Section will be considered a part of the Project. With respect to items of machinery and equipment constituting a part of the Improvements, the Tenant shall maintain a running master list of such machinery and equipment, and within 30 days after the Completion Date, the Tenant shall prepare an accurate detailed final list of machinery and equipment constituting a part of the Improvements (but not installed as fixtures therein or thereon), which list shall be filed with the Trustee, and shall constitute a part of this Project Lease by reference. All machinery and equipment constituting a part of the Improvements shall be appropriately identified by separate schedule or other means acceptable to the Trustee.

Section 5.5. Intentionally Omitted.

Section 5.6. Deficiency of Project Fund. If Bond Proceeds in the Project Fund are insufficient to pay fully all Project Costs (including reimbursements to the Tenant for Project Costs advanced by the Tenant prior to issuance of the Bonds) and to fully complete the Improvements, lien-free (except for Permitted Encumbrances), the Tenant covenants to pay the full amount of any such deficiency by making payments directly to the contractors and to the suppliers of materials, machinery, equipment, property and services as the same become due, and the Tenant shall save the Issuer and the Trustee whole and harmless from any obligation to pay such deficiency.

Section 5.7. Right of Entry by the Issuer and the Trustee. The duly authorized agents of the Issuer and/or the Trustee shall have the right (but shall not be required) at any reasonable time and upon reasonable notice to the Tenant prior to the completion of the Improvements to have access to the Project or any part thereof for the purpose of inspecting the acquisition, installation or construction thereof.

Section 5.8. Machinery and Equipment Purchased by the Tenant. If no part of the purchase price of an item of machinery, equipment or personal property is paid from Original Proceeds deposited in the Project Fund pursuant to the terms of this Project Lease, then such item of machinery, equipment or personal property will not be considered a part of the Project.

Section 5.9. Issuer's Leasehold Interest in Improvements. All Improvements, all work and materials on Improvements as such work progresses, any Project Additions, anything under this Project Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as fully completed, repaired, rebuilt, rearranged, restored or replaced by the Tenant under the provisions of this Project Lease, except as otherwise specifically provided herein, shall immediately when erected or installed be included in the Site Lease to the Issuer.

Section 5.10. Kansas Retailers' Sales Tax. The parties have entered into this Project Lease in contemplation that, under the existing provisions of K.S.A. 79-3606, subsections (b) and (d) and other applicable laws, sales of tangible personal property or services purchased in connection with construction of the Improvements are entitled to exemption from the tax imposed by the Kansas Retailers' Sales Tax Act. The

parties agree that the Issuer shall, upon the request of and with the Tenant's assistance, promptly obtain from the State and furnish to the contractors and suppliers a project exemption certificate for the construction of the Improvements. The Tenant covenants that the exemption certificate will be used only in connection with the purchase of tangible personal property or services becoming a part of the Project. The Issuer shall not be responsible for any failure on the part of the State to issue such project exemption certificate.

ARTICLE VI

Section 6.1. Insurance Requirements. Tenant agrees to maintain the following policies of insurance in full force and effect:

(a) General accident and public liability insurance covering the Tenant's operations in or upon the Project (including coverage for losses arising from the ownership, maintenance, use or operation of any automobile, truck or other vehicle in or upon the Project) under which the Tenant shall be insured and the Issuer and the Trustee shall be additional insureds or mortgagees, as their interests in the Project appear, in an amount not less than the then maximum liability of a governmental entity for claims arising out of a single occurrence as provided by the Kansas tort claims act or other similar future law (currently $500,000 per occurrence); which policy shall provide that such insurance may not be canceled by the issuer thereof without at least 30 days' advance written notice to the Issuer, the Tenant and the Trustee, such insurance to be maintained throughout the Term of this Project Lease;

(b) Statutory workers' compensation insurance; and

(c) insurance on the Improvements against loss or damage by fire, lightning and all other risks covered by the broadest form extended coverage insurance endorsement then in use in the State in an amount equal to the Full Insurable Value thereof, which policy shall provide that such insurance may not be canceled by the issuer thereof without at least 30 days' advance written notice to the Issuer, the Tenant and the Trustee, such insurance to be maintained throughout the Term of this Project Lease.

Section 6.2. General Insurance Provisions.

(a) Within 30 days of renewal dates of expiring policies, certificates of the insurance provided for in this Article shall be delivered by the Tenant to the Trustee. All policies of such insurance and all renewals thereof shall name the Tenant as insured and the Issuer and the Trustee as additional insureds or mortgagees and loss payees as their respective interests may appear, shall contain a provision that such insurance may not be canceled or amended by the issuer thereof without at least 30 days' written notice to the Issuer, the Tenant and the Trustee and shall be payable to the Issuer, the Tenant and the Trustee as their respective interests appear. Any charges made by the Trustee for its services in connection with insurance payments shall be paid by the Tenant.

(b) Each policy of insurance hereinabove referred to shall be issued by a nationally recognized responsible insurance company authorized under the laws of the State to assume the risks covered therein, except that the Tenant may be self-insured as to any required insurance coverages under a program of self-insurance approved by the State Commissioner of Insurance or other applicable State regulatory authority.

(c) Certificates of insurance evidencing the insurance coverages herein required shall be filed with the Trustee continuously during the Term of this Project Lease.

(d) Each policy of insurance hereinabove referred to may be subject to a reasonable deductible or self-insured retention.

(e) Each policy of insurance required herein may be provided through blanket policies maintained by the Tenant.

(f) Anything in this Project Lease to the contrary notwithstanding, the Tenant shall be liable to the Issuer and the Trustee pursuant to the provisions of this Project Lease or otherwise, as to any loss or damage which may have been occasioned by the negligence of the Tenant, its agents, licensees, contractors, invitees or employees.

Section 6.3. Evidence of Title. The Tenant will furnish evidence of the Tenant's fee simple title to the Real Property in the form of a copy of a policy of owner's title insurance, a copy of a loan policy of title insurance or a certificate of owner's title, evidencing the Tenant's fee simple title to the Real Property, subject to Permitted Encumbrances.

ARTICLE VII

Section 7.1. Impositions. The Tenant shall, during the Term of this Project Lease, bear, pay and discharge, before the delinquency thereof, any and all Impositions. In the event any Impositions may be lawfully paid in installments, the Tenant shall be required to pay only such installments thereof as become due and payable during the Term of this Project Lease as and when the same become due and payable.

Section 7.2. Receipted Statements. Unless the Tenant exercises its right to contest any Impositions in accordance with *Section 7.3* hereof, the Tenant shall, within 30 days after the last day for payment without penalty or interest of an Imposition which the Tenant is required to bear, pay and discharge pursuant to the terms hereof, deliver to the Trustee a copy of the statement issued therefor duly receipted to show the payment thereof.

Section 7.3. Contest of Impositions. The Tenant shall have the right, in its own or the Issuer's name or both, to contest the validity or amount of any Imposition by appropriate legal proceedings instituted before the Imposition complained of becomes delinquent if, and provided, the Tenant (i) before instituting any such contest, shall give the Issuer and the Trustee written notice of its intention to do so and, if requested in writing by the Issuer or the Trustee, shall deposit with the Trustee a surety bond of a surety company acceptable to the Issuer as surety, in favor of the Issuer and the Trustee, as their interests may appear, or cash, in a sum of at least the amount of the Imposition so contested, assuring the payment of such contested Impositions together with all interest and penalties to accrue thereon and court costs, (ii) diligently prosecutes any such contest and at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise, and (iii) promptly pays any final judgment enforcing the Imposition so contested and thereafter promptly procures record release or satisfaction thereof. The Tenant shall indemnify and hold the Issuer whole and harmless from any costs and expenses the Issuer may incur related to any such contest.

Section 7.4. Ad Valorem Taxes. The parties acknowledge that under the existing provisions of K.S.A. 79-201a, as amended, the property acquired, constructed or purchased with the proceeds of the Bonds (except such property used for retail uses) is eligible to receive exemption from *ad valorem* taxation for a period up to 10 calendar years after the calendar year in which the Bonds are issued, provided the Issuer has complied with notice, hearing and procedural requirements established by law, and proper application has been made; and further provided that no exemption may be granted from the *ad valorem* property tax levied by a school district pursuant to the provisions of K.S.A. 72-53,113, and amendments thereto; and (b) for the uses restricted pursuant to the provisions of K.S.A. 79-201a, *Second* and *Twenty-Fourth*. The Issuer represents that such notice, hearing and procedural requirements will have been complied with at the Issue Date. Subject to the provisions of *Section 7.5* of this Project Lease, and to the provisions of the Agreement

for Payment in Lieu of Taxes referred to therein, the Issuer will, at the Tenant's request, with information furnished by Tenant and the Trustee, make all necessary filings regarding the application for *ad valorem* tax exemption for the full 10-year period in the calendar year following the calendar year in which the Bonds were issued, and will renew the application from time to time and take any other action as may be necessary to maintain such *ad valorem* tax exemption in full force and effect, in accordance with K.S.A. 79-201a, 79-210 *et seq.* and the requirements of the State Board of Tax Appeals. If it becomes necessary to litigate the issue of availability or applicability of the *ad valorem* tax exemption, the Issuer will cooperate fully with Tenant in pursuing such litigation, but all litigation costs and reasonable attorneys' fees must be paid by Tenant, either directly or as Additional Rent.

Section 7.5. Payment in Lieu of Taxes. The Tenant agrees to make payments in lieu of taxes on the Project for each year that the Project is exempt from *ad valorem* taxes and to pay as an Imposition hereunder taxes for any year in which the Project did not, or does not qualify, in accordance with the separate Agreement for Payment in Lieu of Taxes delivered concurrently with this Project Lease.

ARTICLE VIII

Section 8.1. Use of Project. Subject to the provisions of this Project Lease, the Tenant shall have the right to use the Project for any and all purposes allowed by law and contemplated by the constitution of the State and the Act. The Tenant shall comply in all material respects with all statutes, laws, ordinances, orders, judgments, decrees, regulations, directions and requirements of all federal, state, local and other governments or governmental authorities, now or hereafter applicable to the Project or to any adjoining public ways, as to the manner of use or the condition of the Project or of adjoining public ways. The Tenant shall comply with the mandatory requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this Project Lease. The Tenant shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the Tenant to comply with the provisions of this Article.

Section 8.2. Environmental Provisions.

(a) The Tenant hereby covenants that it will not cause or permit any Hazardous Substances (as defined herein) to be placed, held, located or disposed of, on, under or at the Real Property or the Project, other than in the ordinary course of business and in compliance with all applicable Environmental Laws.

(b) In furtherance and not in limitation of any indemnity elsewhere provided to the Issuer hereunder and in the Indenture, the Tenant hereby agrees to indemnify and hold harmless the Issuer, the Trustee and the Owner from time to time from and against any and all losses, liabilities, including strict liability, damages, injuries, expenses, including reasonable attorneys' fees, costs of any settlement or judgment, costs of investigation, consultants, testing, sampling, cleanup, or defense, and claims of any and every kind paid, incurred or suffered, with respect to, or as a direct or indirect result of, the actual or alleged presence on or under, or the escape, seepage, leakage, spillage, discharge, emission, discharging or release from the Real Property or the Project of any Hazardous Substance (including, without limitation, any losses, liabilities, reasonable attorneys' fees, costs of any settlement or judgment or claims asserted or arising under any federal, state or local Environmental Law or so-called “Superfund” or “Super lien” law, or any other applicable Environmental Law, rule, regulation, order or decree regulating, relating to or imposing liability, including strict liability, or standard of conduct concerning, any Hazardous Substance) regardless of whether or not caused by or within the control of the Tenant.

(c) If the Tenant receives any notice of (i) the happening of any event involving the use, other than in the ordinary course of business and in compliance with all applicable Environmental Laws, spill,

release, leak, seepage, discharge or cleanup of any Hazardous Substance on the Real Property or the Project or in connection with the Tenant's operations thereon or (ii) any complaint, order, citation or notice with regard to air emissions, water discharges or any other environmental, health or safety matter affecting the Tenant (an "Environmental Complaint") from any person (including, without limitation, the United States Environmental Protection Agency (the "EPA") and the Kansas Department of Health and Environment ("KDHE")) then the Tenant shall immediately notify the Issuer and the Trustee in writing. With respect to any such notice that relates to a condition or conditions on the Project site, the Tenant shall promptly initiate action to remediate the conditions cited in the notice, and shall diligently pursue such remediation at its expense to the satisfaction of the city authority.

(d) If the Tenant fails to initiate action to remediate as required in subsection (c) of this section, or otherwise fails to discharge its obligations under this *Section 8.2*, the Issuer shall have the right, but not the obligation, and without limitation of the Issuer's other rights under this Project Lease, to enter the Project or to take such actions as it may deem necessary or advisable to inspect, clean up, remove, resolve or minimize the impact of, or to otherwise deal with, any Hazardous Substance or Environmental Complaint following receipt of any notice asserting the existence on the Project of any Hazardous Substance or an Environmental Complaint pertaining to the Project or any part thereof which, if true, could result in an order, suit or other action against the Tenant and/or which, in the reasonable judgment of the Issuer, could jeopardize its interests under this Project Lease. All reasonable costs and expenses incurred by the Issuer in the exercise of any such rights shall be payable by the Tenant as Additional Rent on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points.

(e) If an Event of Default shall have occurred and is continuing, at the request of the Issuer or the Trustee, the Tenant shall periodically perform (at the Tenant's expense) an environmental audit and, if reasonably deemed necessary by the Issuer or the Trustee, an Environmental Assessment, (each of which must be reasonably satisfactory to the Issuer and the Trustee) of the Project, or the hazardous waste management practices and/or hazardous waste disposal sites used by the Tenant with respect to the Project. The audit and/or Environmental Assessment shall be conducted by an environmental consultant satisfactory to the Issuer and the Trustee. Should the Tenant fail to perform any environmental audit or risk assessment within 30 days of the written request of the Issuer or the Trustee, either shall have the right, but not the obligation, to retain an environmental consultant to perform any such environmental audit or risk assessment. All costs and expenses incurred by the Issuer or the Trustee in the exercise of such rights shall be payable by the Tenant as Additional Rent on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points.

(f) The Tenant shall not install nor permit to be installed in the Project friable asbestos or any substance containing asbestos and deemed hazardous by Environmental Law applicable to the Project and respecting such material, and with respect to any such material currently present in the Project, shall promptly either (i) remove any material which such applicable regulations deem hazardous and require to be removed or (ii) otherwise comply with such applicable Environmental Law, at the Tenant's expense. If the Tenant shall fail to so remove or otherwise comply, the Issuer may declare an Event of Default and/or do whatever is necessary to eliminate the substances from the Project or otherwise comply with the applicable Environmental Law or order, and the costs thereof shall be payable by the Tenant on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points. The Tenant shall defend, indemnify, and save the Issuer, the Trustee and the Owner harmless from all costs and expenses (including consequential damages) asserted or proven against the Tenant, or incurred to comply with such regulations.

(g) The provisions of this *Section 8.2* shall survive the termination of this Project Lease or exercise of the Tenant's option to purchase the Project, except with respect to obligations which arise solely and exclusively as a result of the use, spill, release, leak, seepage or discharge of Hazardous Substances on the Real Property or the Project after the Project is no longer occupied by the Tenant.

ARTICLE IX

Section 9.1. Sublease by the Tenant. The Tenant may sublease the Project to a single party or entity, with the prior written consent of the Issuer. The Tenant may sublease portions of the Project for use by others in the normal course of its business without the Issuer's prior consent or approval. In the event of any such subleasing, the Tenant shall remain fully liable for the performance of its duties and obligations hereunder, and no such subleasing and no dealings or transactions between the Issuer or the Trustee and any such subtenant shall relieve the Tenant of any of its duties and obligations hereunder. Any such sublease shall be subject and subordinate in all respects to the provisions of this Project Lease.

Section 9.2. Assignment by the Tenant. The Tenant may assign, mortgage, sell, or otherwise transfer its interest in this Project Lease only with the prior written consent of the Issuer; provided that no such consent shall be required for Tenant to collaterally assign this Project Lease to a lender with a mortgage against the Property. In the event of any such assignment, the Tenant shall remain fully liable for the performance of its duties and obligations hereunder, except to the extent hereinafter provided, and no such assignment and no dealings or transactions between the Issuer or the Trustee and any such assignee shall relieve the Tenant of any of its duties and obligations hereunder, except as may be otherwise provided in the following Section.

Section 9.3. Release of the Tenant. If, in connection with an assignment by the Tenant of its interest in this Project Lease, (a) the Issuer and the Owners of at least seventy-five percent (75%) in aggregate principal amount of the Outstanding Bonds (including any Additional Bonds) shall file with the Trustee their prior written consent to such assignment, and (b) the proposed assignee shall expressly assume and agree to perform all of the obligations of the Tenant under this Project Lease with regard to the Bonds, then the Tenant shall be fully released from all obligations accruing hereunder after the date of such assignment.

Section 9.4. Mergers and Consolidations. Notwithstanding the provisions of *Sections 9.2* and *9.3* above, if the Tenant shall assign or transfer, by operation of law or otherwise, its interests in this Project Lease in connection with a transaction involving the merger or consolidation of the Tenant with or into, or a sale, lease or other disposition of all or substantially all of the property of the Tenant as an entirety to another person, association, corporation or other entity, and (a) the Issuer shall file with the Trustee its prior written consent to such assignment, transfer or merger, (b) the proposed assignee, transferee or surviving entity shall expressly assume and agree to perform all of the obligations of the Tenant under this Project Lease with regard to the Bonds, and (c) the Tenant shall furnish the Trustee and the Issuer with evidence in the form of financial statements accompanied by a proforma balance sheet prepared by an independent certified public accountant of recognized standing showing that the net worth of such proposed assignee, transferee or surviving entity immediately following such assignment, transfer or merger will be at least equal to the net worth of the Tenant as shown by the most recent financial statements of the Tenant furnished to the Trustee pursuant to this Project Lease; then and in such event the Tenant shall be fully released from all obligations accruing hereunder after the date of such assignment, transfer or merger.

Section 9.5. Covenant Against Other Assignments. The Tenant will not assign or in any manner transfer its interests under this Project Lease, nor will it suffer or permit any assignment thereof by operation of law, except in accordance with the limitations, conditions and requirements set forth in this *Article IX*.

ARTICLE X

Section 10.1. Repairs and Maintenance. The Tenant covenants and agrees that it will, during the Term of this Project Lease, at its own expense, keep and maintain the Project and all parts thereof in good

condition and repair (ordinary wear and tear excepted), including but not limited to the furnishing of all parts, mechanisms and devices required to keep the machinery, equipment and personal property constituting a part of the Project in good mechanical and working order (ordinary wear and tear excepted).

Section 10.2. Removal, Disposition and Substitution of Machinery or Equipment. The Tenant shall have the right, provided the Tenant is not in Default, to remove and sell or otherwise dispose of any machinery or equipment which constitutes a part of the Project and which is no longer used by the Tenant or, in the opinion of the Tenant, is no longer useful to the Tenant in its operations (whether by reason of changed processes, changed techniques, obsolescence, depreciation or otherwise).

All machinery or equipment constituting a part of the Project and removed by the Tenant in compliance with this Section shall become the absolute property of the Tenant and may be sold or otherwise disposed of by the Tenant without otherwise accounting to the Issuer. In all cases, the Tenant shall pay all the costs and expenses of any such removal and shall immediately repair at its expense all damage caused thereby. The Tenant's rights under this Section to remove machinery or equipment constituting a part of the Project is intended only to permit the Tenant to maintain an efficient operation by the removal of such machinery and equipment no longer suitable to the Tenant's use for any of the reasons set forth in this Section and such right is not to be construed to permit a removal under any other circumstances and shall not be construed to permit the wholesale removal of such machinery or equipment by the Tenant.

ARTICLE XI

Section 11.1. Alteration of Project. The Tenant shall have and is hereby given the right, at its sole cost and expense, to make such additions, changes and alterations in and to any part of the Project as the Tenant from time to time may deem necessary or advisable; provided, however, the Tenant shall not make any major addition, change or alteration which will adversely affect the intended use or structural strength or value of any part of the Improvements. All additions, changes and alterations made by the Tenant pursuant to the authority of this Article shall (a) be made in a workmanlike manner and in strict compliance with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, be deemed a part of the Project; provided, however, additions of machinery, equipment and/or personal property of the Tenant not purchased or acquired from proceeds of the Bonds and not constituting a part of the Project shall remain the separate property of the Tenant and may be removed by the Tenant prior to or as provided in *Section 22.1* hereof.

ARTICLE XII

Section 12.1. Additional Improvements. The Tenant shall have and is hereby given the right, at its sole cost and expense, to construct on the Real Property or within areas occupied by the Improvements, or in airspace above the Project, such additional buildings and improvements as the Tenant from time to time may deem necessary or advisable. All additional buildings and improvements constructed by the Tenant pursuant to the authority of this Article shall, during the Term, remain the property of the Tenant and may be added to, altered or razed and removed by the Tenant at any time during the Term hereof. The Tenant covenants and agrees (a) to make all repairs and restorations, if any, required to be made to the Project because of the construction of, addition to, alteration or removal of, the additional buildings or improvements, (b) to keep and maintain the additional buildings and improvements in good condition and repair, ordinary wear and tear excepted, (c) to promptly and with due diligence either raze and remove from the Real Property, in a good, workmanlike manner, or repair, replace or restore such of the additional buildings or improvements as may from time to time be damaged by fire or other casualty, and (d) that all additional buildings and improvements constructed by the Tenant pursuant to this Article which remain in place after the termination

of this Project Lease for any cause other than the purchase of the Project pursuant to *Article XVII* hereof shall, upon and in the event of such termination, become the separate and absolute property of the Issuer.

ARTICLE XIII

Section 13.1. Securing of Permits and Authorizations. The Tenant shall not do or permit others under its control to do any work in or in connection with the Project or related to any repair, rebuilding, restoration, replacement, alteration of or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have first been procured and paid for. All such work shall be done in a good and workmanlike manner and in compliance with all applicable building, zoning and other laws, ordinances, governmental regulations and requirements and in accordance with the requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this Project Lease.

Section 13.2. Mechanic's Liens. The Tenant shall not do or suffer anything to be done whereby the Project, or any part thereof, is encumbered by any mechanic's or other similar lien. Should any mechanic's or other similar lien ever be filed against the Project, or any part thereof, the Tenant shall discharge the same of record within 30 days after the date of filing. Notice is hereby given that the Issuer does not authorize or consent to and shall not be liable for any labor or materials furnished to the Tenant or anyone claiming by, through or under the Tenant upon credit, and that no mechanic's or similar liens for any such labor, services or materials shall attach to or affect the reversionary or other estate of the Issuer in and to the Project, or any part thereof.

Section 13.3. Contest of Liens. The Tenant, notwithstanding the above, shall have the right to contest any such mechanic's or other similar lien if within the 30-day period stated above it (a) notifies the Issuer and the Trustee in writing of its intention so to do, and if requested by the Trustee or the Issuer, deposits with the Trustee a surety bond issued by a surety company acceptable to the Issuer as surety, in favor of the Issuer, or cash, in the amount of the lien claim so contested, indemnifying and protecting the Issuer from and against any liability, loss, damage, cost and expense of whatever kind or nature growing out of or in any way connected with the asserted lien and the contest thereof, (b) diligently prosecutes such contest, at all times effectively staying or preventing any official or judicial sale of the Project or any part thereof or interest therein, under execution or otherwise, and (c) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and thereafter promptly procures record release or satisfaction thereof.

Section 13.4. Utilities. All utilities and utility services used by the Tenant in, on or about the Project shall be contracted for by the Tenant in the Tenant's own name and the Tenant shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary for all operations on the Project.

ARTICLE XIV

Section 14.1. Indemnity. The Tenant agrees, whether or not the transactions contemplated by this Project Lease, the Site Lease, the Bonds or the Indenture are consummated, to indemnify and hold harmless the Issuer and its officers, directors, officials, employees and agents, including the Trustee as assignee of the Issuer's rights under this Project Lease, and the Owner and each of its officers, directors, employees and agents (any or all of the foregoing referred to hereafter as "Indemnified Persons"), from and against all claims, actions, suits, proceedings, expenses, judgments, damages, penalties, fines, assessments, liabilities, charges or other costs (including, without limitation, all attorneys' fees and expenses incurred in connection with enforcing this Project Lease or collecting any sums due hereunder and any claim or proceeding or any

investigations undertaken hereunder) relating to, resulting from, or in connection with (a) any cause in connection with the Project, including, without limitation, the acquisition, design, construction, installation, equipping, operating, maintenance or use thereof; (b) any act or omission of the Tenant or any of its agents, contractors, servants, employees or licensees in connection with the use or operation of the Project; (c) any cause in connection with the issuance and sale of the Bonds, (d) a misrepresentation or breach of warranty by the Tenant hereunder or under any of the documents executed by the Tenant in connection with this Project Lease, or (e) any violation by the Tenant of any of its covenants hereunder or under any of the other documents executed by the Tenant in connection with the Bonds or this Project Lease. This indemnity is effective only with respect to any loss incurred by any Indemnified Person not due to willful misconduct, gross negligence, or bad faith on part of such Indemnified Person. In case any action or proceeding shall be brought against one or more Indemnified Person and with respect to which such Indemnified Person may seek indemnity as provided herein, such Indemnified Person shall promptly notify the Tenant in writing and the Tenant shall promptly assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person or Indemnified Persons, the payment of all expenses and the right to negotiate and consent to settlement; provided, however, the failure to notify the Tenant as provided shall not relieve Tenant from any liability or duty under this Section, so long as Tenant is given reasonable opportunity to defend such claim.

ARTICLE XV

Section 15.1. Access to Project. The Issuer, for itself and its duly authorized representatives and agents, including the Trustee, reserves the right to enter the Project at all reasonable times during usual business hours throughout the Term, upon reasonable notice, for the purpose of (a) examining and inspecting the same, (b) performing such work made necessary by reason of the Tenant's default under any of the provisions of this Project Lease, and (c) after an Event of Default, for the purposes of exhibiting the Project to prospective purchasers, lessees or mortgagees. The Issuer may, during the progress of the work mentioned in (b) above, keep and store on the Project all necessary materials, supplies and equipment and shall not be liable for inconvenience, annoyances, disturbances, loss of business or other damage suffered by reason of the performance of any such work or the storage of such materials, supplies and equipment.

ARTICLE XVI

Section 16.1. Option to Extend Basic Term. The Tenant shall have and is hereby given the right and option to extend the Basic Term of this Project Lease for the Additional Term provided that (a) the Tenant shall give the Issuer written notice of its intention to exercise the option at least 30 days prior to the expiration of the Basic Term and (b) the Tenant is not in Default hereunder at the time it gives the Issuer such notice or at the time the Additional Term commences. In the event the Tenant exercises such option, the terms, covenants, conditions and provisions set forth in this Project Lease shall be in full force and effect and binding upon the Issuer and the Tenant during the Additional Term except that the Basic Rent during any extended term herein provided for shall be the sum of $100.00 per year, payable in advance on the first Business Day of such Additional Term.

ARTICLE XVII

Section 17.1. Option to Purchase Project. Subject to the provisions of this Article, the Tenant shall have the right and option to purchase the Issuer's interest in the Project at any time during or after the Term. The Tenant shall exercise its option by giving the Issuer written notice of the Tenant's election to

exercise its option and specifying the date, time and place of closing, which date (the "Release Date") shall neither be earlier than 30 days nor later than 180 days after the notice is given. The Tenant may not, however, exercise such option if the Tenant is in Default hereunder on the Release Date unless all Defaults are cured upon payment of the purchase price specified in *Section 17.2.*

Section 17.2. Quality of Title and Purchase Price. If the notice of election to purchase is given, the Issuer shall assign and release all of its interests in the Project to the Tenant on the Release Date free and clear of all liens and encumbrances except (a) Permitted Encumbrances, (b) those to which title was subject on the date of the Site Lease to the Issuer of the Real Property, or to which title became subject with the Issuer's and Tenant's written consent, or which resulted from any failure of the Tenant to perform any of its covenants or obligations under this Project Lease, (c) taxes and assessments, general and special, if any, and (d) the rights of any party having condemned or who is attempting to condemn title to, or the use for a limited period of, all or any part of the Project, for a price determined as follows (which the Tenant agrees to pay in cash at the time of delivery of the Issuer's instruments of release of the Project to the Tenant as hereinafter provided):

(i) The full amount which is required to provide the Issuer and the Trustee with funds sufficient, in accordance with the provisions of the Indenture, to pay at maturity or to redeem and pay in full (A) the principal of all of the Outstanding Bonds, (B) all interest due thereon to date of maturity or redemption, whichever first occurs, and (C) all costs, expenses and premiums incident to the redemption and payment of the Bonds in full, plus

(ii) $100.00.

In the event the Tenant owns all of the Outstanding Bonds, the Tenant may surrender the Bonds to the Trustee for cancelation in lieu of paying the full amount set forth in this Section.

Nothing in this Article shall release or discharge the Tenant from its duty or obligation under this Project Lease to make any payment of Basic Rent or Additional Rent which, in accordance with the terms of this Project Lease, becomes due and payable prior to the Release Date, or its duty and obligation to fully perform and observe all covenants and conditions herein stated to be performed and observed by the Tenant prior to the Release Date.

Section 17.3. Closing of Purchase. On the Release Date, the Issuer shall deliver to the Tenant its release of leases and/or other appropriate instruments of assignment or release, properly executed and releasing the Project to the Tenant free and clear of all liens and encumbrances except as set forth in the preceding section above, and the Tenant shall pay the full purchase price for the Project as follows: (a) the amount specified in clause (i) of *Section 17.2* shall be paid to the Trustee for deposit in the Debt Service Fund to be used to pay or redeem Bonds and the interest thereon as provided in the Indenture, and (b) the amount specified in clause (ii) of *Section 17.2* shall be paid to the Issuer; provided, however, nothing herein shall require the Issuer to deliver its appropriate instruments of assignment or release to the Tenant until after all duties and obligations of the Tenant under this Project Lease to the date of such delivery have been fully performed and satisfied or adequate provision made for such performance and satisfaction. Upon the recording of the Issuer's instruments of assignment or release, and payment of the purchase price by the Tenant and legal defeasance or cancellation of the Bonds, this Project Lease will terminate, subject to the provisions of *Section 20.2* hereof.

Section 17.4. Effect of Failure to Complete Purchase. If, for any reason, the purchase of the Project by the Tenant pursuant to valid notice of election to purchase is not effected on the Release Date, this Project Lease shall be and remain in full force and effect according to its terms as if no notice of election

under *Section 17.1* had been given. The Issuer and Tenant agree to use all commercially reasonable efforts to effect the assignment and release as soon as possible.

Section 17.5. Application of Condemnation Awards if the Tenant Purchases Project. The right of the Tenant to exercise its option to purchase the Project under the provisions of this Article shall remain unimpaired notwithstanding any condemnation of title to, or the use for a limited period of, all or any part of the Project. If the Tenant shall exercise its option and pay the purchase price as provided in this Article, all of the condemnation awards received by the Issuer after the payment of the purchase price, less all attorneys' fees and other expenses and costs incurred by the Issuer in connection with such condemnation, shall belong and be paid to the Tenant.

ARTICLE XVIII

Section 18.1. Damage and Destruction.

(a) If, during the Term, any Improvements are damaged or destroyed, in whole or in part, by fire or other casualty, the Tenant shall promptly notify the Issuer and the Trustee in writing as to the nature and extent of such damage or loss and whether it is practicable and desirable to rebuild, repair, restore or replace such damage or loss.

(b) If the Tenant shall determine that such rebuilding, repairing, restoring or replacing is practicable and desirable, the Tenant shall proceed with and complete with reasonable dispatch such rebuilding, repairing, restoring or replacing. In such case, any Net Proceeds of property and/or casualty insurance required by this Project Lease and received with respect to any such damage or loss to the Improvements shall be paid to the Trustee and shall be deposited in the Project Fund and shall be used and applied for the purpose of paying the cost of such rebuilding, repairing, restoring or replacing such damage or loss. Any amount remaining in the Project Fund after such rebuilding, repairing, restoring or replacing shall be paid to the Tenant.

(c) If the Tenant shall reasonably determine that rebuilding, repairing, restoring or replacing the Improvements is not practicable and desirable, any Net Proceeds of property and/or casualty insurance required by this Project Lease and received with respect to any such damage or loss to the Project shall be paid into the Debt Service Fund. Such moneys shall be used to redeem Bonds at their earliest optional redemption date. The Tenant agrees that it shall be reasonable in exercising its judgment pursuant to this subsection (c).

(d) The Tenant shall not, by reason of its inability to use all or any part of the Improvements during any period in which the Improvements are damaged or destroyed, or are being repaired, rebuilt, restored or replaced nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement or diminution of the Basic Rent or Additional Rent payable by the Tenant under this Project Lease nor of any other obligations of the Tenant under this Project Lease except as expressly provided in this Section.

Section 18.2. Condemnation.

(a) If, during the Term, title to, or the temporary use of, all or any part of the Project shall be condemned by any authority exercising the power of eminent domain (other than the Issuer), the Tenant shall, within 30 days after the date of entry of a final order in any eminent domain proceedings granting condemnation, notify the Issuer and the Trustee in writing as to the nature and extent of such condemnation and whether it is practicable and desirable to acquire substitute land or construct substitute Improvements.

(b) If the Tenant shall determine that such substitution is practicable and desirable, the Tenant shall proceed with and complete with reasonable dispatch the acquisition or construction of such substitute Real Property or Improvements. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings shall be paid to the Trustee for the account of the Tenant and shall be deposited in the Project Fund and shall be used and applied for the purpose of paying the cost of such substitution. Any amount remaining in the Project Fund after such acquisition or construction shall be paid to Tenant.

(c) If the Tenant shall reasonably determine that it is not practicable and desirable to acquire or construct substitute Improvements, any Net Proceeds of condemnation awards received by the Tenant shall be paid into the Debt Service Fund. Such moneys shall be used to redeem Bonds at their earliest optional redemption date. The Tenant agrees that it shall be reasonable in exercising its judgment pursuant to this subsection.

(d) The Tenant shall not, by reason of its inability to use all or any part of the Improvements during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement or any abatement or diminution of the Basic Rent or Additional Rent nor of any other obligations hereunder payable by the Tenant under this Project Lease.

(e) The Issuer shall cooperate fully with the Tenant in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof so long as the Issuer is not the condemning authority. In no event will the Issuer voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the written consent of the Tenant and the Trustee.

Section 18.3. Effect of Tenant's Defaults.
Anything in this Article to the contrary notwithstanding, the Issuer and the Trustee shall have the right at any time and from time to time to withhold payment of all or any part of the Net Proceeds from the Project Fund attributable to damage, destruction or condemnation of the Project to the Tenant or any third party if an Event of Default has occurred and is continuing, or the Issuer or the Trustee has given notice to the Tenant of any Default which, with the passage of time, will become an Event of Default. In the event the Tenant shall cure any Defaults specified herein, the Trustee shall make payments from the Net Proceeds to the Tenant in accordance with the provisions of this Article. However, if this Project Lease is terminated or the Issuer or the Trustee otherwise re-enters and takes possession of the Project without terminating this Project Lease, the Trustee shall pay all the Net Proceeds held by it into the Debt Service Fund and all rights of the Tenant in and to such Net Proceeds shall cease.

ARTICLE XIX

Section 19.1. Intentionally Omitted.

ARTICLE XX

Section 20.1. Remedies on Default. Whenever any Event of Default shall have happened and be continuing, the Trustee (acting on behalf of the Issuer, as assignee of the Issuer's rights hereunder) may take any legal action, including but not limited to, one or more of the following remedial actions:

(a) By written notice to the Tenant upon acceleration of maturity of the Bonds as provided in the Indenture, the Trustee, acting on behalf of the Issuer, may declare the aggregate amount of all unpaid Basic Rent or Additional Rent required to be paid by the Tenant to be immediately due and payable under this Project Lease.

(b) The Trustee, acting on behalf of the Issuer, may give the Tenant written notice of intention to terminate this Project Lease on a date not earlier than 30 days after such notice is given and, if all Events of Default have not then been cured on the date specified, the Tenant's rights to possession of the Project shall cease, and this Project Lease shall terminate. The Trustee, acting on behalf of the Issuer, may re-enter and take possession of the Project and pursue all its available remedies, including sale of Issuer's interest in the Project and judgment against the Tenant for all Basic Rent and Additional Rent then owing, including costs and attorneys' fees.

(c) Without terminating this Project Lease, the Trustee, acting on behalf of the Issuer, may conduct inspections or an Environmental Assessment of the Project. The Issuer or the Trustee, acting on behalf of the Issuer, may refuse to re-enter or take possession of the Project if it has reasonable cause for such refusal. "Reasonable cause" shall include the presence on the Project of conditions which are in violation of any Environmental Law or the existence or threat of a remedial action against the Tenant under any Environmental Law resulting from conditions on the Project.

(d) Without terminating the Term, the Trustee, acting on behalf of the Issuer, may relet the Project, or parts thereof, for such term or terms and at such rental and upon such other terms and conditions as are deemed advisable, with the right to make alterations and repairs to the Project, and no such re-entry or taking of possession of the Project shall be construed as an election to terminate this Project Lease, nor relieve the Tenant of its obligation to pay Basic Rent or Additional Rent (at the time or times provided herein), or of any of its other obligations under this Project Lease, all of which shall survive such re-entry or taking of possession. The Tenant shall continue to pay the Basic Rent and Additional Rent provided for in this Project Lease until the end of the Term, whether or not the Project shall have been relet, less the net proceeds, if any, of reletting the Project.

(e) Having elected to reenter or take possession of the Project pursuant to subsection 20.1(c), the Trustee, acting on behalf of the Issuer, may (subject, however, to any restrictions against termination of this Project Lease in the Indenture), by notice to the Tenant given at any time thereafter while the Tenant is in Default in the payment of Basic Rent or Additional Rent or in the performance of any other obligation under this Project Lease, elect to terminate this Project Lease in accordance with subsection 20.1(b) and thereafter proceed to exercise any remedies lawfully available.

(f) If, in accordance with any of the provisions of this Article, the Issuer shall have the right to elect to re-enter and take possession of the Project, the Issuer or the Trustee, acting on behalf of the Issuer, may enter and expel the Tenant and those claiming through or under the Tenant and remove the property and effects of both or either by all lawful means without being guilty of any manner of trespass and without prejudice to any remedies for arrears of Basic Rent or Additional Rent or preceding breach of contract by the Tenant.

(g) Net proceeds of any reletting or sale of the Project shall be deposited in the Debt Service Fund for application to pay the Bonds and interest thereon. "Net proceeds" shall mean the receipts obtained from reletting or sale after deducting all expenses incurred in connection with such reletting or sale, including without limitation, all repossession costs, brokerage commissions, legal fees and expenses, expenses of employees, alteration costs and expenses of preparation of the Project for reletting or sale.

(h) The Issuer or the Trustee, acting on behalf of the Issuer, may recover from the Tenant any attorneys' fees or other expense incurred in exercising any of its remedies under this Project Lease.

Section 20.2. Survival of Obligations. The Tenant covenants and agrees with the Issuer, the Trustee and the Owner that, until all Bonds and the interest thereon and redemption premium, if any, are paid in full or provision is made for the payment thereof or cancellation in accordance with the Indenture, its obligations under this Project Lease shall survive the cancellation and termination of this Project Lease for any cause and/or sale of the Project, and the Tenant shall be obligated to pay Basic Rent and Additional Rent (reduced by any net income the Issuer or the Trustee may receive from the Project after such termination) and perform all other obligations provided for in this Project Lease, all at the time or times provided in this Project Lease. Notwithstanding any provision of this Project Lease or the Indenture, the Tenant's obligations under *Sections 8.2* and *14.1* hereof shall survive any termination, release or assignment of this Project Lease, the Indenture and payment or provision for payment of the Bonds.

Section 20.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Lease or now or hereafter existing at law or in equity or by statute, subject to the provisions of the Indenture. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power, or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice required herein.

ARTICLE XXI

Section 21.1. Performance of the Tenant's Obligations by the Issuer. If the Tenant shall fail to keep or perform any of its obligations as provided in this Project Lease, then the Issuer may (but shall not be obligated to), upon the continuance of such failure on the Tenant's part for 90 days after notice of such failure is given the Tenant by the Issuer or the Trustee and without waiving or releasing the Tenant from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and the Tenant shall reimburse the Issuer for all sums so paid by the Issuer and all necessary or incidental costs and expenses incurred by the Issuer in performing such obligations through payment of Additional Rent. If such Additional Rent is not so paid by the Tenant within 10 days of demand, the Issuer shall have the same rights and remedies provided for in *Article XX* in the case of Default by the Tenant in the payment of Basic Rent.

ARTICLE XXII

Section 22.1. Surrender of Possession. Upon accrual of the Issuer's right of reentry as the result of the Tenant's Default hereunder or upon the cancellation or termination of this Project Lease by lapse of time or otherwise (other than as a result of the Tenant's purchase of the Project), the Tenant shall peacefully surrender possession of the Project to the Trustee, as assignee of the Issuer in good condition and repair, ordinary wear and tear excepted; provided, however, the Tenant shall have the right, prior to or within 30 Business Days after the termination of this Project Lease, to remove from on or about the Project the buildings, improvements, machinery, equipment, personal property, furniture and trade fixtures which the Tenant owns under the provisions of this Project Lease and are not a part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Tenant. All buildings, improvements, machinery, equipment, personal property, furniture and trade fixtures owned by the Tenant and which are not so removed from on or about the Project prior to or within 30

Business Days after such termination of this Project Lease shall become the separate and absolute property of the Issuer.

ARTICLE XXIII

Section 23.1. Notices. All notices required or desired to be given hereunder shall be in writing and shall be delivered in person to the Notice Representative or mailed by registered mail to the Notice Address. All notices given by registered mail shall be deemed duly delivered three days after they are mailed. When mailed notices are given, the party giving notice will use reasonable diligence to contact the party being notified by telephone, electronic mail or facsimile on or before the date such notice is mailed.

ARTICLE XXIV

Section 24.1. Triple-Net Lease. The parties hereto agree that (a) this Project Lease is intended to be a triple-net lease, (b) the payments of Basic Rent and Additional Rent are designed to provide the Issuer and the Trustee with funds adequate in amount to pay all principal of and interest on all Bonds as the same become due and payable and to pay and discharge all of the other duties and requirements set forth herein, and (c) to the extent that the payments of Basic Rent and Additional Rent are not adequate to provide the Issuer and the Trustee with funds sufficient for the purposes aforesaid, the Tenant shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money as may from time to time be required for such purposes.

Section 24.2. Funds Held by the Trustee After Payment of Bonds. If, after the principal of and interest on all Bonds and all costs incident to the payment of the Bonds have been paid in full, the Trustee holds unexpended funds received in accordance with the terms hereof, such unexpended funds shall, except as otherwise provided in this Project Lease and the Indenture and after payment therefrom to the Issuer of any sums of money then due and owing by the Tenant under the terms of this Project Lease, be the absolute property of and be paid over to the Tenant.

ARTICLE XXV

Section 25.1. Rights and Remedies. The rights and remedies reserved by the Issuer and the Tenant hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The Issuer and the Tenant shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Project Lease, notwithstanding the availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity.

Section 25.2. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by either party of any covenant, agreement or undertaking, the nondefaulting party may nevertheless accept from the other any payment or payments or performance hereunder without in any way waiving its right to exercise any of its rights and remedies provided for herein or otherwise with respect to any such Default which was in existence at the time such payment or payments or performance were accepted by it.

Section 25.3. The Issuer Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Project Lease it is provided that the Issuer shall, may or must give its approval or consent, or execute supplemental agreements, exhibits or schedules, the Issuer shall not unreasonably or arbitrarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements, exhibits or schedules.

ARTICLE XXVI

Section 26.1. The Issuer May Not Release Interest without Tenant Consent. The Issuer covenants that unless an Event of Default under this Project Lease has occurred and is continuing, and the remaining Term of this Project Lease has been terminated, it will not, without the Tenant's written consent, unless required by law, assign, release or encumber its leasehold interest in the Project at any time during the Term of this Project Lease.

Section 26.2. Quiet Enjoyment and Possession. The Tenant shall enjoy peaceable and quiet possession of the Project as long as no Event of Default has occurred and is continuing.

Section 26.3. Intentionally Omitted.

Section 26.4. Issuer's Obligations Limited. Except as otherwise expressly provided in this Project Lease, no recourse upon any obligation or agreement contained in this Project Lease or in any Bond or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise under any circumstances, under or independent of the Indenture, shall be had against the Issuer and its officers, employees and agents.

Notwithstanding anything in this Project Lease to the contrary, it is expressly understood and agreed by the parties hereto that (a) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Tenant, an Owner or the Trustee as to the existence of any fact or state of affairs required to be noticed by the Issuer; (b) the Issuer shall not be under any obligation to perform any record-keeping or to provide any legal services, it being understood that such services shall be performed or provided either by the Tenant, the Trustee or the Owner; and (c) that none of the provisions of this Project Lease shall require the Issuer to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless it shall have first been adequately indemnified to its satisfaction against the costs, expenses and liability which may be incurred by such action.

Notwithstanding anything in this Project Lease to the contrary, any obligation the Issuer may incur under this Project Lease or under any instrument or document executed by the Issuer in connection with this Project Lease that entails the expenditure of any money by the Issuer shall be only a limited obligation of the Issuer payable solely from the revenues derived by the Issuer under this Project Lease and shall not be, under any circumstances, a general obligation of the Issuer.

ARTICLE XXVII

Section 27.1. Investment Tax Credit; Depreciation. The Tenant shall be entitled to claim the full benefit of (l) any investment credit against federal or state income tax allowable with respect to expenditures of the character contemplated hereby under any federal or state income tax laws now or from time to time hereafter in effect, and (2) any deduction for depreciation with respect to the Project from federal or state income taxes. The Issuer agrees that it will upon the Tenant's request execute all such elections, returns or

other documents which may be reasonably necessary or required to more fully assure the availability of such benefits to the Tenant.

ARTICLE XXVIII

Section 28.1. Amendments. This Project Lease may be amended, changed or modified in writing in the following manner:

(a) With respect to an amendment, change or modification which reduces the Basic Rent or Additional Rent, or any amendment which reduces the percentage of Owners whose consent is required for any such amendment, change or modification, by an agreement in writing executed by the Issuer and the Tenant and consented to in writing by the Trustee and by Owners of at least 90% of the aggregate principal amount of the Bonds then Outstanding;

(b) With respect to any other amendment, change or modification which will materially adversely affect the security or rights of the Owners, by an agreement in writing executed by the Issuer and the Tenant and consented to in writing by the Trustee and by Owners of at least 66-2/3% of the aggregate principal amount of the Bonds then Outstanding; and

(c) With respect to all other amendments, changes, or modifications, by an agreement in writing executed by the Issuer and the Tenant.

At least 30 days prior to the execution of any agreement pursuant to (c) above, the Issuer and the Tenant shall furnish the Trustee and the Owner with a copy of the amendment, change or modification proposed to be made.

Section 28.2. Granting of Easements; Mortgages. If no Event of Default under this Project Lease shall have happened and be continuing, the Tenant may, at any time or times, (a) grant easements, licenses and other rights or privileges in the nature of easements with respect to any property included in the Project, free from any rights of the Issuer or the Owner, or (b) release existing easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Tenant shall determine, or (c) incur Permitted Encumbrances. The Issuer agrees, to the extent that it may legally do so, that it will execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the Issuer of: (i) a copy of the instrument of grant or release or of the agreement or other arrangement, (ii) a written application signed by the Authorized Tenant Representative requesting such instrument, and (iii) a certificate executed by the Tenant stating (A) that such grant or release is not detrimental to the proper conduct of the business of the Tenant, and (B) that such grant or release will not impair the effective use or interfere with the efficient and economical operation of the Project and will not materially adversely affect the security of the Owner. Any consideration received by the Tenant for the grant or release must be paid to the Trustee to be deposited in the Debt Service Fund and used to redeem Bonds at the earliest practicable date, at their principal amount, plus accrued interest, without premium. If the instrument of grant shall so provide, any such easement or right and the rights of such other parties thereunder shall be superior to the rights of the Issuer and the Owner and shall not be affected by any termination of this Project Lease or default on the part of the Tenant hereunder. If no Event of Default shall have happened and be continuing, any payments or other consideration received by the Tenant for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Tenant, but, in the event of the termination of this Project Lease because of an Event of Default, all rights then existing of the Tenant with respect to or under such grant shall inure to the benefit of and be exercisable by the Issuer. The Issuer acknowledges and agrees that this Project Lease shall be automatically subordinated to any future mortgage

and such future mortgage shall not be required to grant any rights of nondisturbance with respect to this Project Lease.

Section 28.3. Security Interests.

(a) The Issuer and the Tenant agree to execute and deliver any instruments (including financing statements and statements of continuation thereof) necessary for perfection of and continuance of the security interest of the Issuer in and to the Project. The Tenant hereby authorizes the Issuer to file or cause to be filed all such instruments required to be so filed and the Trustee to continue or cause to be continued the filings or liens of such instruments for so long as the Bonds shall be Outstanding.

(b) Under the Indenture, the Issuer will, as additional security for the Bonds assign, transfer, pledge and grant a security interest in its rights under this Project Lease to the Trustee. The Issuer hereby authorizes the Trustee to file financing statements or any other instruments necessary to perfect its security interest. The Trustee is hereby given the right to enforce, either jointly with the Issuer or separately, the performance of the obligations of the Tenant, and the Tenant hereby consents to the same and agrees that the Trustee may enforce such rights as provided in the Indenture and the Tenant will make payments required hereunder directly to the Trustee.

AGREEMENT FOR PAYMENT IN LIEU OF TAXES

This Agreement, entered into as of _____, 20__ between the City of El Dorado, Kansas (the "Issuer") and Gordy Heritage, LLC (the "Tenant");

WITNESSETH THAT:

1. **Tax Exemption; Payment in Lieu of Taxes**. In consideration of (i) the issuance by the Issuer of its Taxable Industrial Revenue Bonds (Gordy Heritage, LLC Project), in one or more series, in an aggregate principal amount not to exceed $11,500,000 (the "Bonds") to finance the acquisition, renovation, construction, and equipping of senior apartment facilities (the "Project") to be leased by the Issuer to the Tenant, (ii) the Tenant's execution of the lease of the Project financed with the proceeds of the Bonds, (iii) the laws of the State of Kansas affording exemption from *ad valorem* property taxation for the portion of the Project acquired, purchased or constructed with the proceeds of the Bonds for a period commencing with the year after calendar year in which bonds are issued, and (iv) the agreement by the Issuer to apply for the exemption if the payments provided for herein are made, the Tenant agrees to make payments in lieu of *ad valorem* property taxes in the amounts specified herein, in the manner provided for herein.

2. **Amount of Payments; Place of Payment**. In lieu of general *ad valorem* property taxes on the Project for the 10 calendar years following the year in which the Bonds are issued, other than special assessments levied on account of special benefits and the ad valorem property tax levied by a school district pursuant to the provisions of K.S.A. 72-53,113, and amendments thereto, the Tenant shall pay by separate check to the Treasurer of Butler County, Kansas, or other appropriate office as directed by the Issuer, on or before December 20 in each of the years, with the privilege of half payment as provided by law for general *ad valorem* taxes, a payment in lieu of taxes equal to $50,000 per year, to be distributed as and for a part of the general *ad valorem* tax collections for all taxing subdivisions in which the Project is located.

3. **Reduction of Payment for Actual Taxes Paid**. Except for the *ad valorem* taxes described in ***Section 4*** herein, the annual amount to be paid pursuant to ***Section 2*** herein shall be reduced (but not below zero) by any actual *ad valorem* tax payments paid in respect of the real property constituting a part of the Project by or on behalf of the Tenant for any given year (other than special assessments).

4. **No Exemption for Special Assessments and Capital Outlay Levy**. All special assessments and the unified school district's capital outlay levy provided in K.S.A. 72-53,113 that is levied against the real property portion of the Project, if any, will not abate and will continue to be the obligation of the Tenant, payable in the manner provided by law.

5. **Failure to Make Payment in Lieu of Taxes**. Should the Tenant fail to make the payments required above, penalties and/or interest will be assessed against the Tenant by the Butler County Treasurer in accordance with applicable state laws relating to late tax payments. If the Tenant fails to make a payment required by this Agreement and the failure shall continue for one year, this Agreement shall be deemed terminated effective as of December 20 in the year the payment was originally due, and Tenant agrees that from and after the termination date, it shall pay in full the regular amount of *ad valorem* real estate and personal property taxes on the property constituting the Project.

6. **Approval of Exemption**. This Agreement is conditioned on the issuance by the Board of Tax Appeals of the State of Kansas of an order exempting the bond-financed portion of the Project from *ad valorem* taxation in accordance with Kansas law, including particularly K.S.A. 79-201a *Twenty-Fourth*.

7. **Counterparts**. This Agreement may be executed simultaneously and several counterparts, each of which shall be deemed to be an original and all of which shall constitute the same instrument.

8. **Transferability**. The benefits of this Agreement may be transferred to any assignee of the Project Lease made in accordance with the provisions of the Project Lease between the Issuer and the Tenant.

FROM: David Dillner, City Manager
SUBJ: Commercial Real Estate Contract for El Dorado Business Park
DATE: November 4, 2024

Summary:
About a month ago, the City solicited proposals from commercial real estate companies for the purpose of marketing and selling lots within the El Dorado Business Park. The park has been available for commercial and light industrial development since it was originally platted over fifteen years ago. The majority of the land in the business park is still available for development. The City has taken a passive approach to marketing the business park over the years, and this proposal marks a change to a more active approach. The City received three proposals and elected to negotiate the attached agreement with Landmark Commercial Real Estate. The firm, based out of Wichita, has experience marketing, developing, and leasing industrial and commercial real estate in the south central Kansas region.

Attachments:
1. Exclusive Right to Sell or Lease Contract El Dorado Business Park 10.21.24

Funding Source:
The commission fee for the commercial real estate services defined by this agreement is 6% of the sale price, and will be paid from proceeds arising from a transaction to sell or lease lots in the El Dorado Business Park.

Operation Impact:
NA

Options/Alternatives:
The City could continue to passively market business park lots, although this approach has yielded very little interest since the business park was originally platted over fifteen years ago. Alternatively, the City could take a more active approach to marketing the business park. The City is not well positioned to market property to a regional audience. El Dorado Inc. could also market the business park, although a commercial real estate company has an added profit incentive to market and sell lots. In addition, a commercial real estate company has more contacts and marketing reach that could attract interest.

Staff Recommendation:
The City Manager recommends approving the proposed commercial real estate contract. Doing so will provide the best opportunity to market and sell lots within the business park.

Commission Action:
Commissioner _____ moved to approve an Exclusive Right to Sell or Lease Contract with Landmark Commercial Real Estate, Inc., for the purposes of marketing the El Dorado Business Park.

Commissioner _____ seconded the motion.

LANDMARK COMMERCIAL REAL ESTATE

EXCLUSIVE RIGHT TO SELL/LEASE CONTRACT (DS/LA)

This Exclusive Right to Sell/Lease Contract (the "Contract") by and between **LANDMARK COMMERCIAL REAL ESTATE, INC.**, a Kansas corporation (the "Broker") and the CITY OF EL DORADO, KANSAS (the "SELLER/LANDLORD) for the property commonly known as the El Dorado Business Park and legally described as follows and is hereby known as the "Property":

See Exhibit A for Legal Descriptions and A General Depiction

The term ("Listing Term") for this Contract shall begin upon execution of this Contract and end three (3) year thereafter.

The Property is offered for sale or for lease for on terms agreeable to SELLER/LANDLORD:

BROKER agrees to market the Property and pay the costs thereof. SELLER/LANDLORD hereby represents and warrants to BROKER that: this is the one and only exclusive right to sell or lease agreement in effect and said SELLER/LANDLORD has the capacity to convey merchantable title upon closing. SELLER/LANDLORD shall not enter into any other agreement to perform the same or similar services provided for in this Contract.

1. The BROKER agrees to perform the terms of this contract, promote the interests of the SELLER/LANDLORD with the utmost good faith, loyalty, and fidelity, and present in a timely manner all offers to the SELLER/LANDLORD. The BROKER shall present all offers to the SELLER/LANDLORD when such offer is received prior to the closing of the sale unless SELLER/LANDLORD agrees to one of the following provisions by initiating the provision:

[_X__] The BROKER shall not be obligated to continue to market the Property (**per parcel**) after an offer has been accepted by the SELLER/LANDLORD unless the purchase contract permits the SELLER/LANDLORD to continue to market the Property and consider other offers until closing.

or

[____] The BROKER shall not be obligated to continue to market the Property (**per parcel**) or present subsequent offers after an offer has been accepted by the SELLER/LANDLORD.

The BROKER will disclose to the SELLER/LANDLORD all adverse material facts known by the BROKER about the buyer/tenant and advise the SELLER/LANDLORD to obtain expert advice as to material matters known by the BROKER but the specifics of which are beyond the BROKER'S expertise. When the SELLER/LANDLORD has been so advised, no cause of action for any person shall arise against the BROKER pertaining to such material matters. The BROKER will disclose to any customer and SELLER/LANDLORD any facts known by BROKER, related to the physical condition of the Property, which contradict any information included in a written report that has been prepared by a qualified third party and provided to a customer or SELLER/LANDLORD. However, BROKER owes no duty to conduct an independent inspection of the Property to verify accuracy or completeness of statements made by SELLER/LANDLORD or such qualified third party. BROKER will account in a timely manner for all money and property received. The BROKER will comply with all requirements of the Brokerage Relationships in Real Estate Transactions Act of Kansas and comply with any applicable federal, state, and local laws, rules and regulations and ordinances, including fair housing and civil rights statutes and rules and regulations. The BROKER will keep all information about the SELLER/LANDLORD confidential unless disclosure is required by statute, rule, or regulation, or unless failure to disclose would constitute fraudulent misrepresentation. The BROKER will disclose to any customer all adverse material facts actually known by the BROKER, including but not limited to: environmental hazards affecting the Property which are required by law to be disclosed, the physical condition of the Property, any material defects in the Property or title thereto, any material limitation on the SELLER/LANDLORD'S ability to perform under the terms of the contract.

2. The SELLER/LANDLORD agrees to pay the BROKER a **commission fee of six percent (6%)** of the selling price in cash at closing if the BROKER produces a purchaser ready, willing, and able to purchase the Property at the price and on the terms stated, or later agreed upon, or if a sale or exchange of the Property is made by the SELLER/LANDLORD or any other person during the term of this contract. SELLER/LANDLORD authorizes the deduction of said brokerage fee from the SELLER/LANDLORD'S proceeds at closing. The SELLER/LANDLORD agrees to divide equally with the BROKER any deposit made on a contract and forfeited by a buyer, but not more than the amount to which the BROKER would be entitled as brokerage fees, and the balance paid to the SELLER/LANDLORD. SELLER/LANDLORD agrees to pay the BROKER a **brokerage fee of six percent (6%)** on the gross value of a lease for the initial term and for any renewal terms thereafter if the BROKER produces a tenant ready, willing and able to rent the Property at the price and on the terms stated, or later agreed upon. One-half (1/2) of said fee is due upon execution of a lease agreement, and the second One-half (1/2) of the fee is due upon possession of the premises by a tenant. The SELLER/LANDLORD agrees to refer to the BROKER all inquiries and offers which he/she may receive during the term of this contract. In the event SELLER/LANDLORD enters into

an agreement to sell the Property within **180 days** after the termination of the contract directly or indirectly, upon any terms to anyone to whom the Property was shown or submitted during the term of the contract, said brokerage fee is due and payable to the BROKER. Agreement to sell shall mean any agreement to transfer all or a substantial part of the SELLER/LANDLORD'S interest in the Property including contracts for deed, contracts for sale, leasing agreements, or lease/option contracts.

3. The SELLER/LANDLORD agrees that BROKER may:

Offer cooperation and compensation to cooperating agents	[__x__] Yes	[____] No
Offer cooperation and compensation to buyer/tenant's agents	[__x__] Yes	[____] No
Offer cooperation and compensation to transaction brokers	[__x__] Yes	[____] No

4. SELLER/LANDLORD understands that BROKER may show alternative properties not owned by SELLER/LANDLORD to prospective buyer/tenants and may list competing properties for sale without breaching any duty or obligation to SELLER/LANDLORD. SELLER/LANDLORD also understands and agrees that as part of marketing the Property, BROKER will be showing buyer/tenant's properties other than SELLER/LANDLORD'S and providing buyer/tenants with information on selling prices in the area.

5. **SELLER/LANDLORD'S Acknowledgment for BROKER to Act as Transaction Broker.** SELLER/LANDLORD acknowledges that BROKER may have clients who have retained BROKER to represent them as a buyer/tenant in the acquisition of property. If a buyer/tenant client becomes interested in making an offer on the SELLER/LANDLORD'S Property, then the BROKER would be in a position of representing both buyer/tenant and SELLER/LANDLORD in that transaction **unless designated agents have been appointed pursuant to paragraph 6.** Such representation would constitute dual agency, which is illegal in Kansas. With the informed consent of the SELLER/LANDLORD, SELLER/LANDLORD hereby agrees that BROKER may act as a transaction broker. As a transaction broker, BROKER will **assist the parties with the real estate transaction without being an agent or advocate for the interests of either party.**

[X] Yes [____] No

6. **SELLER/LANDLORD'S Acknowledgment of DESIGNATED AGENT RELATIONSHIP**. A designated agent is a real estate licensee affiliated with a broker who has been designated by the broker, or the broker's duly authorized representative, to act as the agent of a broker's buyer/tenant or SELLER/LANDLORD client to the exclusion of all other affiliated licensees.

A. Designed Agent appointed to represent SELLER/LANDLORD.

When a designated agent is appointed to represent SELLER/LANDLORD, SELLER/LANDLORD understands:

a. The designated agent will perform all the duties of a SELLER/LANDLORD's Agent and will be SELLER/LANDLORD'S legal agent to the exclusion of all other licensees in the brokerage firm.

b. Another licensee with the brokerage firm may act as a designated agent for the buyer/tenant in the sale/lease of SELLER/LANDLORD'S Property.

c. The supervising broker (or branch broker, if applicable) will act as a transaction broker and will not advocate for the interests of either party and will not, without prior consent of both parties, disclose any information or personal confidences about a party which might place the other party at an advantage. The supervising broker (or branch broker, if applicable) may appoint an affiliated licensee to act in the transaction as a transaction broker.

d. If the designated agent for SELLER/LANDLORD is also the designated agent of a buyer/tenant who is interested in SELLER/LANDLORD'S Property, the designated agent cannot represent both SELLER/LANDLORD and buyer/tenant. With the informed consent of both buyer/tenant and SELLER/LANDLORD, the designated agent may act as a transaction broker and **assist the parties with the real estate transaction without being an agent or advocate for the interests of either party.**

e. If a buyer/tenant client of a designated agent wants to see a property which was personally listed by the supervising broker, the supervising broker, with the written consent of SELLER/LANDLORD, may specifically designate an affiliated licensee who will act as designated agent for SELLER/LANDLORD.

SELLER/LANDLORD hereby consents to designated agent relationship and the Broker, or Broker's authorized representative, hereby designates **TED BRANSON, RENDA ROBERTSON, AND ROBERT CYPHERT** to act as designated agent on the SELLER/LANDLORD's behalf.
[X] Yes [____] No

SELLER/LANDLORD consents to the above-named designated agent acting as a transaction broker in the event he/she is also the designated agent for the buyer/tenant, subject to both buyer/tenant and SELLER/LANDLORD signing a Transaction Broker Addendum to their agency agreement with BROKER, which must be signed by the buyer/tenant prior to writing an offer to purchase the Property and by SELLER/LANDLORD prior to signing the purchase contract.
[X] Yes [____] No

7. The SELLER/LANDLORD agrees, if requested, to furnish the BROKER a key and/or lockbox to the Property and permit the BROKER during the term of this contract or until closing of a sale/lease transaction. The BROKER may enter the Property at reasonable times for the purpose of showing it to prospective buyer/tenants. The BROKER is not responsible for vandalism, theft, or damage of any nature to the Property, personal property and/or personal effects.

8. The SELLER/LANDLORD authorizes the BROKER to place a "For Sale/Lease" type signage on the Property and to remove all other signs during the term of this contract. Special signage at additional cost to SELLER/LANDLORD may be proposed by BROKER.

9. SELLER/LANDLORD agrees to leave all utilities on to allow a prospective buyer/tenant reasonable right of inspection of the Property and further agrees to leave utilities on until the expiration of this contract or until closing of a sale/lease transaction, whichever is later. In consideration for the BROKER arranging for any inspections at SELLER/LANDLORD'S request, SELLER/LANDLORD hereby agrees to indemnify and hold harmless the BROKER, his/her agents and employees from any liabilities, costs, expenses resulting from any action taken by said company with respect to said inspection.

10. SELLER/LANDLORD agrees to allow BROKER to use images and other data related to the Property for marketing purposes, including on public websites.

11. SELLER/LANDLORD, in compliance with Kansas law, must disclose to a buyer (or purchaser) the existence of special assessments or fees against a property (or Real Estate) or that the property is located in an improvement district which may occasion the imposition of special assessments on the Property. This includes special assessments for streets, sidewalks, storm water drains, sanitary sewers, parks, and other similar improvements. If the amount of the special assessments or fee is unknown, the SELLER/LANDLORD must make a good faith estimate of the amount. The disclosure must be acknowledged by the buyer in writing and will be addressed in a contract or separate document.

12. SELLER/LANDLORD and BROKER agree that the person(s) signing this Contract has the authority to do so on behalf of the respective party. This Contract shall be binding on and inure to the benefit of the BROKER and SELLER/LANDLORD and their respective heirs, successors, and/or assigns.

13. SELLER/LANDLORD hereby warrants that they have received a copy of this Contract. This is a legally binding contract. BROKER recommends SELLER/LANDLORD retain an attorney to answer any legal questions related to this document and the sale/lease of the Property.

IN WITNESS WHEREOF, SELLER/LANDLORD and BROKER execute this Contract on the date(s), and at the time(s), indicated below with their respective signatures.
