CALL TO ORDER

Mayor Vince Haines called the October 28, 2015 Special City Commission meeting to order at 4:00 p.m.

UTILITY RATE INCREASE DISCUSSION

Staff were present to discuss the utility rate increase policy set by the previous Commission. They stated that the previous Commission had requested that small increases be done each year as necessary in order to prevent the need for a large increase to make up for years in which there was no increase.

Staff stated that if the Commission approved, they would move forward with the small increase at an upcoming meeting.

There was consensus amongst the Commission to continue with the current policy and to look at a proposed increase at a future meeting.

PROPOSED PARKS AND RECREATION MASTER PLAN

Staff were present to discuss the proposed Parks and Recreation Master Plan. There was agreement amongst the Commission that further input was necessary from the public and that the Commission would meet again on December 2nd with a list of their top five most important items in the plan.

ADJOURNMENT

Commissioner Nick Badwey moved to adjourn the meeting at 6:05 p.m.

Commissioner Kendra Wilkinson seconded the motion.

Motion carried 4 – 0.
