3. **Moderate Income Housing Grant**

BACKGROUND

In response to the increased need for moderate income housing the 2015 legislative session provided \$2 million to the State Housing Trust Fund (SHTF) for the purpose of administering and supporting housing programs. The SHTF is administered by the Kansas Housing Resource Corporation (KHRC). Under the legislation the funds shall only be used for loans or grants to cities or counties for infrastructure or housing development in rural areas.

In response to the available funding the KHRC has issued a Kansas Moderate Income

Housing (MIH) Request for Proposal. Currently the City of El Dorado is eligible to apply for said funding.

Under the KHRC RFP grants or loans will be limited to no more than \$400,000 per application. Applicants are encouraged to apply for projects with ties to economic development that leverage funds from both private and public sources, preferably for MIH needs.

Under the MIH RFP, applicants may only use funds for: (1) infrastructure necessary to support housing; or (2) actual housing development, including acquisition of real property, new construction, modular or manufactured housing and/or rehabilitation of existing housing.

On October 9, 2015 the City of El Dorado along with El Dorado, Inc. requested proposals from individuals or groups interested in becoming a private sector partner with the City of El Dorado to construct multi-family Moderate Income Housing.

One application was received and reviewed by the housing committee. Applications will be submitted under the program guidelines.

Note: All units must be occupied by individuals/families that fall within the Moderate Income Housing Income Range guidelines illustrated below.
