

EL DORADO

SPECIAL CITY COMMISSION MEETING

CALL TO ORDER – JANUARY 26, 2016
CITY COMMISSION ROOM
4:00 P.M.

1. 2016 PROPOSED GOLF COURSE RATES

BACKGROUND

Prairie Trails staff have provided proposed golf course rates for 2016. Rates at Prairie Trails have not changed in the five years since the City purchased the course and dramatically lowered them. The new rate structure will place Prairie Trails rates closer to other public courses in the area.

The proposal includes: a decrease in the annual golf pass fees, a separate kart pass fee, and separate fee for the driving range. The kart fee would be paid prior to each round of golf in the proshop which would allow staff to better track rounds of golf as well as monitor course activity. All of this information was reviewed by the Prairie Trails Advisory Board. They suggested that the City combine both old and new proposals, giving the golfer a way to tailor their play with a type of membership. They also suggested that a more in-depth look at rates occur during the next year as the new greens open and normal play resumes.

The proposal, comparison to other courses and advisory board minutes are attached.

ADJOURNMENT

Commissioner

moved to adjourn the meeting at

n m

Commissioner _____ moved to adjourn the meeting at _____ p.m.

Commissioner _____ seconded the motion.

Respectfully submitted,

Herbert E. Llewellyn, Jr.
City Manager
