The goals for the 2011-2012 year consisted of minor changes from the previous year including, Maintaining website for the El Dorado Youth Commission, and The date of the Walnut River Festival. We also agreed to change the goals throughout the year if there would be something to come up to convince the group of encouragement and community benefits.

Sign-Up for the Walnut River Festival on Sep. 24th, 2011 was initiated but will be continued to have sign-up next meeting.

Shirt Designs have gone through and agreed upon: A grey shirt with 2 base colors for writing and design was laid out with names distributed and design will be reviewed and cleared by youth to then be presented to Wishart at the Rec Department.

The group is planning on New bio's to be turned in at the next meeting to update the page with new members and to then continue on our goal to keep the page updated.

Meeting was adjourned without further discussion.
