10-24-11

El Dorado City Hall

6:30p.m.

Those in attendance: Heather Riddle, Victoria Gricol, Megan Morris, Brooke Ryan, Alex Pennington, Chandler Bolen, Nijah Fudge, Jim City Attorney, Jim Gardner

Minutes approved from last meeting.

Curfew Presentation by: Nijah Fudge

-Conversation, and questions brought in by: _____

--Activity center

--Alternative entertainment

--Trying to form opinions on what we perceived the curfew to be as

-Jim City Attorney came in to talk about the topic and discuss it with us.

As a commission we were unable to come to a conclusion whether or not we are for, or against the curfew information. We agreed that we would be split by the idea that there are other options we could use first to try to help the conflicts we have currently before spending the extra time and money to put in a full fledged curfew. Pro's to the curfew, help prevent nonsense on the street, as Con's is they "the children" would just hide the "problems" more and nothing would improve. As a commission we plan to present the information we do have to the Commission and allow them to know that the EYC board has decided to be unknown whether we wish for this to go through, but recommend that we try to use postings at local parks, and other ideals first before putting into effect a full fledged curfew.

Sales tax report:

-Show report with what is going on

-Show's progress

Stadium Ground Braking

-Be present

-Pictures to be taken by a commissioner

Movie in the park report:

-Great Time

-There was plenty of encouragement to continue with it.

-Little Rain/ Mist but people waited it out at the park.

-Estimated 250 people present

--Commissioners there included, Tori, Chandler and Jacob

-Alex was at work and said they were very busy showing many people came interesting in the production.

-Tori- Received only positive reviews from the guests, as Chandler was there serving pop, and popcorn.

-Next year hoping for they are hoping for a grant that, will help pay for most of the event, which would entail less sponsorships, and make the cost cheaper.

-Location could differ next year with a grant, and more people being involved with it such as Main Street, and other local businesses.

-Great success could see it as becoming a local tradition.

Other:

Brought to the table was the soccer topic, t-shirts, banners

Soccer, we will know in March of 2012 at EHS if we will be capable of withholding a soccer team.

T-Shirts:

Sizes were collected other than a few which will be received By: Heather Riddle hoping to receive all before the following meeting so that we may all be capable of wearing them at a event we attend, and getting images taken

before the Christmas holiday.

Design was finalized and reviewed.

Sizes to be taken to Wishart after all have been received then he will send them in to GCI and we MIGHT receive a discount but the rest will be paid out of pocket by each commissioner his or her self.

Money will then be collected by: Heather Riddle to be taken to Kevin, as then we will be all taken care of.

Banners for Downtown El Dorado Decorations and School support:

-Nijah is looking into Iola, Kansas to see how they fund and gathered their local banners and such as we are looking at doing the same hopefully soon.
